PRESIDENT'S MESSAGE

Dear Members:

In April we will be getting together for our Annual General Meeting and Convention in Powell River. I hope you are planning to attend and if by chance you were not, it's not too late to change your mind. This will be a great opportunity to reunite with old friends and meet new ones. In the past the AGM & Convention has attracted over 200 delegates and we are anticipating that 2010 will be very well attended.

A wide variety of resolution topics will be discussed and debated (see page 3 for resolution titles sorted by their topical areas). Executive have had the opportunity to discuss a number of these same issues during the past year. Delegates will also have an opportunity to provide input into options being considered to improve the UBCM Resolutions Process in a session facilitated by Gary MacIsaac, UBCM Executive Director and myself Saturday afternoon.

In addition to the regular business of the AGM, a number of presentations and workshops on topical issues have been scheduled throughout the three days including two pre-conference sessions on Friday morning. See page 3 for titles, brief descriptors and presenters/facilitators.

I am delighted to report that ten of our members have allowed their names to be put forward for election to the 2010-11 AVICC Executive including all of the current Executive members. See pages 6-8 for background information on each of these 10 candidates. As indicated under the Nomination and Election Procedures on page 5, this does not prevent members being nominated from the floor.

Iris has been working closely with the AVICC Executive and the very enthusiastic local organizing committee from the City of Powell River to ensure you have a full range of activities, providing an opportunity to talk to, learn from and relax with your fellow delegates. Some of the non-business highlights include the Sliammon First Nation Spirit Singers and dancers, a musical montage performed by entertainer CaroleAnne Leishman and a wide variety of local talent from the Academy of Music performing during the Saturday banquet.

I want to take this opportunity to thank our sponsors (see page 2 for a listing). Without their support, we would not be able to provide delegates with the same value added Convention experience.

On behalf of the AVICC Executive, we look forward to seeing you at the 2010 AGM & Convention in Powell River.

Mayor Christopher Causton
President

Saturday evening, guests will enjoy classical piano music performed by either Walter Martello or Michael McMaster during the pre-banquet reception. Following a sumptuous buffet meal, Vancouver Island wine and great conversation, the Powell River local organizing committee in collaboration with Don James, founder and artistic director of the Powell River Academy of Music have arranged an amazing variety of local talent including jazz musician, Walter Martella, soprano Megan Skidmore and pianist Maryna Gray; the Academy Chamber Choir performing Broadway Tunes and the Powell River Trad Band (who are preparing for their Scotland Tour) performing upbeat Celtic music. KEYNOTE SPEAKER

Les Leyne, Victoria Times Colonist, Legislature Bureau

Born in Rivers, Manitoba, Les Leyne lived in Winnipeg and Whitehorse as a child before his family moved to Qualicum Beach, where he was raised. Leyne attended Carleton University and UVic, where he graduated after working at the university newspaper. He worked at weekly newspapers in Duncan, where he covered the incineration of 13 tons of marijuana, and the west shore before joining the Times Colonist.

Leyne was banished from the newsroom to the legislature bureau in 1985 and has been there ever since. He's covered eight premiers, and is still on speaking terms with most of them. His budget scoop in 1995 got him nominated for a Jack Webster Award and he claimed a share of the TC's 2003 Webster Award for political coverage. He writes four days a week on provincial affairs and was nominated for a National Newspaper Award for column writing in 2008. He won a Jack Webster Award for Commentary in 2009.

FRIDAY MORNING PRE-CONFERENCE PROGRAMS

9-11 am – Where have all the buffalo gone?

The giant palm trees of Easter Island are no more, the great buffalo herds have disappeared and the abundant Coho runs of Cowichan Bay are only a memory. 'They' didn't pay attention then, maybe we should now?

Today our world is challenged with two great issues that are inherently related and coming at us with catastrophic proportions far greater than any tsunami or earthquake will bring.

Climate change we have heard much about, Peak oil we would rather ignore. The world economy of today is based on cheap oil. What happens if there is no longer cheap oil? Are there things we can do today that would help to build a resilient Island economy regardless of the price of oil?

Perhaps and it may very well be that Island rail will be more important tomorrow than it ever was yesterday if we are to attempt to build a resilient Island economy.

Graham Bruce, Executive Director of the Island Corridor Foundation and AVICC Life Member and Island Corridor Foundation Board Member, Mary Ashley will provide an overview of the various activities and initiatives being pursued under the auspices of the Foundation.

11-Noon – Elections Task Force Update

Director at Large - COUNCILLOR BOB K. DAY, Town of Lake Cowichan

A resident of Lake Cowichan for 14 years, Bob believes community engagement results in better Council and local decisions, which is why he was appointed as Chair of Council's Public Relations Committee. He is also the Chair of the Parks, Recreation and Culture Committee, because of his strong belief that the utilization of the outdoors and recreation activities is crucial to the physical and social health and well-being of any community.

Bob through his committee work has undertaken an ambitious plan to see the development of a system of trails in the Lake Cowichan area that will accommodate all user groups. He believes these efforts will also help enhance the economy in the Cowichan Lake and beyond. Bob's role as a Councillor does not limit him to civic duties and responsibilities. He is also involved with the Lake Cowichan Senior Secondary Leadership Class and works closely with our young community leaders, finding ways to engage them in the local decision making process.

Friends of Cowichan Kids, Cowichan Lake Minor Hockey, and Chair of the Lake Days Celebration Society are some of the other community committees, Bob is actively involved with. Since being elected, Bob has thrown all his spare time into serving his community diligently and faithfully and does so with the full support of his wife Elaine and his three daughters and one son. John is now standing for the position of Director at Large for the AVICC. John is representing Tofino for his second term as Mayor. During this time he has expanded his knowledge and experience that will be a valuable contribution to the business of AVICC.

With your support, John will work together with the other Island and Sunshine Coast communities to overcome some of these issues. John is also serving a second term as Director of the Alberni Clayoquot Regional District. This appointment gives him first hand insight into the unique challenges associated with Regional Districts and their lack of a proper Charter.

Working closely with the Tla-o-qui-aht First Nation in their treaty process has been rewarding for John. He is instrumental in developing a strong working relationship between the TFN and the District of Tofino.
