Please distribute this message to your elected officials, CAO and Corporate Officer and their support staff.

Attached is a copy of the *Annual Report and Resolutions* to be considered at the upcoming AGM & Convention April 7-9, 2017 in Campbell River at the Community Centre at 401 11 Avenue, Campbell River.

The Resolutions Committee's Comments and Recommendations on the resolutions received by the deadline are included in this report. Late Resolutions will be provided in the Supplementary Information Package that delegates will receive at onsite registration in Campbell River. The background information provided by the member organizations with their resolutions submissions will be posted to the website at [Background Information](#)

The Annual Report also includes the Financial Statements, an updated Program, the Convention Rules and proposed member dues. The program does not become final until just prior to the April 7th Convention to be able to accommodate last minute programming issues.

Pre-Convention Newsletter

Next week I will be forwarding the *Convention Newsletter* to all registered delegates. This will cover all the important details of the Convention. It will also include the biographies of the nominees for the 2017-18 AVICC Executive received prior to the February 21 deadline.

Registration Related Issues

If you have not yet had a chance to register delegates, online registration is available until March 31st at <https://www.civicinfo.bc.ca/event/2017/AVICC> If you have registered, but are unable to attend or need to update a specific aspect of your registration, I would appreciate receiving notification at your earliest convenience.

If you have any questions or comments, please call or email me. I look forward to seeing you in Campbell River.
