PRESIDENT'S REPORT

We will soon be welcoming you to the 62nd Annual General Meeting & Convention in Sidney. Once again, I am looking forward to meeting with all of our members from the Island, Sunshine Coast and the Central Coast.

REPRESENTING AVICC ON THE UBCM BOARD

Both Past President Barry Janyk and I have had the honor of continuing to serve on the UBCM Executive. Mayor Janyk is now serving his third term of office with UBCM after being re-elected Director at Large last September in Whistler. As AVICC President, I continue to serve in the capacity of the AVICC representative on the Board. It has been a rewarding and valuable experience. Mayor Janyk continues to participate on the First Nations Relations and Community Economic Development Committees and I will be participating on the Convention and Resolutions Committees.

MEETINGS OF THE AVICC EXECUTIVE

The Executive will have met in person five times this year (April 10, June 14, October 29, 2010 and January 14 and April 7, 2011) and via teleconference twice (April 23 and September 10, 2010) at which time a wide range of issues have been raised and discussed.

Some of the key issues under discussion and actions taken in the current year have included:

Derelict Vessels – At the 2010 AVICC Convention, four resolutions on derelict vessels were endorsed with a further resolution to AVICC to draft, in consultation with the respective sponsors, a single resolution incorporating all of the salient points of the four original resolutions. Mayor Darren Inkster, Sechelt chaired a sub-committee composed of Councillor John Rogers, View Royal; Councillor Adam Olsen, Central Saanich and Director Sheila Malcolmson with assistance from policy analyst, Clare Frater, Islands Trust to draft the resolution. The original sponsors of the four resolutions reviewed and approved the revised resolution. It was then endorsed by AVICC Executive at its June meeting, forwarded to UBCM by the June 30 deadline and was subsequently endorsed by the 2010 UBCM Convention.

In follow-up to the sub-committee’s recommendation, a “Finding Solutions to the Management of Derelict Vessels” workshop was also planned as part of the 2010 UBCM Convention. It was held on Thursday, September 30 from 2-4 pm with approximately 90 delegates in attendance. Presenters included: Sheila Malcolmson, Chair, Island Trust Council; Melissa Ferris, Program Manager, Derelict Vessel Removal Program, Washington State Department of Natural Resources; Bob Gowe, Manager, Navigable Waters Protection, Transport Canada; and Duncan Williams, Executive Director, Regional Operations, Crown Land Operations & Aquaculture, Province of BC. The workshop was well received by those in attendance.

In late November the Province initiated the establishment of a Joint Working Group for Removal of Derelict Vessels in BC consisting of policy staff from the three levels of government. Brenda Gibson, UBCM and Clare Frater, Islands Trust will be representing local government. Bob Gowe represents the federal government and Duncan Williams and Melinda Nagy-Surdu represent the Province. The first meeting of the committee took place January 13, 2011 in Victoria. During its January meeting, Brenda Gibson provided a brief update to Executive and in exchange received requested feedback on a number of key points.

BC Ferries Fares and Service – Resolution LR2 - BC Ferries Fare Increases endorsed by AVICC last April was referred directly to the UBCM Executive without need of debate at the 2010 UBCM Convention.

Mr. Tony Law, Chair of the Ferry Advisory Chairs Committee was invited to attend the October Executive meeting to provide an overview of the role of the ferry advisory committees and outline the process to be undertaken leading up to the renewal of the Coastal Ferry Services contract. In follow-up, a letter was written to Minister Shirley Bond highlighting the issues of ferry fares increases and service level reductions and the effects these have made on the island and coastal communities as it related to the renewal of the Coastal Ferry
Contract and requesting the extension of BC Ferries Commissioner Martin Crilly to allow completion of the work in preparation for setting the price caps for Performance Term 3. Assistant Deputy Minister, Kevin Richter responded on January 4, 2011 indicating that Commissioner Crilly’s contract had been extended to May 1 to allow a smooth transition to the new Commissioner, Gordon Macatee.

At the November 19, 2010 UBCM Board meeting, an ad hoc committee composed of Mayor Causton, Mayor Janyk, Tony Law, Chair of the Ferry Advisory Chairs Committee and supported by UBCM staff Gary Maclsaac and Marie Crawford was established to respond to the resolution. The first meeting was held January 19, 2011.

Gas Franchise Fees Agreements Expiring December 31, 2011 – At its June meeting, Executive noted that it would again be necessary to meet with the new Minister of Community and Rural Development to provide the background on the file and bring attention to the issue. At the October meeting, Executive established a sub-committee composed of Mayor Causton, Chair Stanhope, Mayor Ruttan and CAO Doug Holmes of City of Nanaimo, and CAO Tim Woods from Central Saanich. A meeting with Terasen Gas originally scheduled for December 7, 2010 was held on January 14, 2011 at the Nanaimo Regional District Office. Terasen Gas representatives included: Gord Schoberg, Carol Greaves and Chris Hyland. Terasen Gas will provide an update on Operating Agreement negotiations with municipalities on Vancouver Island, The Sunshine Coast and Powell River at the 2011 AGM & Convention.

Dialogue with Other Organizations – Executive took the opportunity to invite a number of key people to attend its regular meetings to discuss issues that are impacting AVICC members. They included:

- Vancouver Island Health Authority - Mr. Neil Sweeney, Vice President & Chief, Communications and External Relations and Chief Medical Officer, Dr. Richard Crow attended the June meeting to provide an overview of the operations and issues facing VIHA with strategies and plans for the future.

- Tourism Vancouver Island - Mr. Dave Petryk, President and CEO and Mr. Chuck Fast, Chair, Tourism Vancouver Island provided an overview of the organization’s vision, mission, mandate, structure, programs and goals and strategies for the future to Executive at their June meeting. In follow-up, Tourism Vancouver Island will be participating in the 2011 AGM & Convention Mini Marketplace & Tradeshows.

- Department of Fisheries and Oceans - Sean Wouters attended the October meeting via teleconference to provide an overview of the process to develop the new aquaculture regulations and answer questions that arose from members.

- NanOOSE First Nations – Band Administrator and Councillor Brent Edwards requested an opportunity to meet with Executive to provide the First Nations’ perspective on the DL33 logging issue. Councillor Edwards and Councillor and Elder Tom Bob attended the January regular meeting.

MEMBER VISITS
Member visits this year took me to the following communities: Lake Cowichan, Ladysmith, Parksville, Campbell River, Gold River, Port Alice, Port McNeil, Powell River, Sechelt and Gibsons where I met with the Mayors and in the case of Lake Cowichan and Gibsons, both the Mayors and Councillors. I also met with the Sunshine Coast Regional District Board. The trip provided an opportunity to engage members and discuss the different concerns of the island and coastal communities.

AGM & CONVENTION
The 2010 AGM & Convention held in Powell River was very successful and received a strong approval rating. One referred, 22 regular and four late resolutions were considered with 24 being endorsed, three not endorsed and none being withdrawn. Resolutions endorsed by the 2010 AVICC AGM were submitted to UBCM by the June 30 deadline. Responses to the resolutions endorsed by delegates at the 2010 UBCM Convention are contained in Part 1 of this report.
Executive and staff began working with the 2011 host community in May to begin planning for this year’s AGM & Convention. An enthusiastic and inspired local organizing committee chaired by Mayor Larry Cross has helped staff and Executive to create a program that will be a highlight of the year for delegates, sponsors and exhibitors. In addition to thought-provoking speakers during the regular business sessions, highlights will include hosting of the Welcome Reception at the exciting new Shaw Ocean Discovery Centre and the banquet at the BC Aviation Museum with guests being entertained by the talented students and alumni of Stelly’s Secondary School.

A program brochure and the draft program for the upcoming AGM & Convention has been published and distributed to all members. Please check www.avicc.ca for complete session descriptors and other details. 37 resolutions and six nominations for Executive were received prior to the February 25, 2011 deadline. The Resolutions and Nominating Committee Report is contained within this booklet. Nominees’ biographies will be published in the Pre-convention Newsletter that will be distributed electronically in late March.

Federal Response to AVICC: Ministry Of Transport, Infrastructure And Communities

In Canada, the federal government has established accessibility standards for all modes of transportation under federal jurisdiction. This is accomplished through the use of a variety of policy instruments, including regulations, codes of practice and guidelines.

An active monitoring and compliance program supports the implementation of Canada’s regulations, codes and guidelines. This ongoing monitoring of the transportation system, along with the results of the last independent review of the Canada Transportation Act in 2001, indicates that significant progress has been made in removing undue obstacles to the mobility of persons with disabilities, and that, while some accessibility issues remain, this policy approach is proving to be successful.
With respect to the accessibility of passenger rail cars, the Passenger Rail Car Accessibility Code of Practice provisions came into effect on April 1, 2001, and state as follows:

Eventually, every passenger train that provides sleeping car facilities should have at least one sleeping car that has at least one wheelchair-accessible room. Until such time as this goal is reached, any newly manufactured sleeping car ordered, purchased or leased by a rail carrier to be used on or after April 1, 2001, or any existing sleeping car undergoing major refurbishment to be used on or after that same date, should satisfy the accessibility criteria.

I should note that passenger rail cars used in western transcontinental rail service are currently undergoing major refurbishment and will re-enter service in compliance with the Code. The Renaissance rail passenger cars, which are employed in the Toronto-Halifax corridor, are also now undergoing modification so that they too will be in full compliance with the Code when they return to service.

**Provincial Response to AVICC:** Ministry Of Transportation And Infrastructure

All transit users in British Columbia now have access to low floor buses that can easily accommodate passengers travelling with wheelchairs and scooters, and design guidelines have been adopted to ensure that mobility impaired persons can be accommodated at bus stops. HandyDART, Taxi Saver and Taxi Supplement programs are also available for persons unable to use the regular bus system.

British Columbia’s taxpayers contribute $20 million a year to help keep ferry rates affordable for the disabled, eligible seniors, students and those travelling for medical reasons. Where possible, BC Ferries provides mobility-impaired persons with preferred special vehicle loading, elevator service, specially equipped washrooms and preferred parking.

The Passenger Transportation Board, an independent tribunal, makes decisions on applications for taxis, limousines and inter-city bus licences. The Board has established a policy to encourage the increased number and availability of accessible taxis in urban communities.

Part 2 - RESOLUTIONS REFERRED TO AVICC EXECUTIVE FOR ACTION BECAUSE OF THEIR REGIONAL NATURE

LR12  **RAIL TERMINUS IN NANAIMO**  
AVICC Executive

THEREFORE BE IT RESOLVED THAT AVICC support the establishment of the main rail terminus in Nanaimo and the proposed two train early morning southbound schedule as a first step in providing improved rail service on Vancouver Island, and encourages VIARail to increase the operating subsidy necessary for this to occur.

*AVICC Convention Decision: Endorsed.*

*Response: Awaiting response from ViaRail.*

LR13  **COASTAL DOUGLAS FIR MOIST MARITIME LAND USE**  
AVICC Executive

WHEREAS a logging application has been submitted to Calvin Ross at South Island Forest District in Port Alberni to log the Nanoose Wetland Forest (DL33).

WHEREAS even small parcels like DL33 make important contributions to conservation of coastal Douglas Fir and contains the only remaining intact watershed of any tributary supplying Nanoose Creek, a wild salmon stream.

WHEREAS BC Environment Ministry confirm that nearly every type of Old Growth Douglas Fir Forest on BC dry coastal plain is now rare or endangered.

WHEREAS the coastal Douglas Fir ecosystem that once dominated the Georgia Basin now teetered at the brink of extinction and most of what does remain is the responsibility of British Columbians.

THEREFORE BE IT RESOLVED THAT AVICC request that the Ministry of Environment to allow for the Coastal Douglas Fir Moist Maritime land use order to follow its proper public consultation and ministerial development course and process.

*AVICC Convention Decision: Endorsed.*

*Response: Ministry Of Forests*  
The province is well aware of the concerns related to the Coastal Douglas Fir Biogeoclimatic Zone and government has taken significant steps to ensure protection of this and other important ecosystems. In December, the Integrated Land Management Bureau (ILMB) advertised a draft land use order to protect up to 1,600 hectares of the Coastal Douglas Fir ecosystem on southern Vancouver Island and the Sunshine Coast. 
The public review and comment period on the land use order closed on February 15, 2010. I understand that many local residents have asked that DL33 be included in the proposal Coastal Douglas Fir land use order. ILMB are currently reviewing all submissions received and will incorporate, where appropriate, suggested change to the land-use objectives. We expect a decision on the land use order in the near future. Once the final decision is made it will be publicly communicated.

2. Delegates will use the floor microphones when speaking.

3. All elected officials of members attending the Annual Meeting of the Association shall be delegates entitled to participate in debates and to vote on any matter before the Meeting. [Bylaws s. 23] Other delegates shall not be entitled to the privilege of the floor unless authorized by the Meeting. Guest speakers may be permitted at the direction of the Executive.

4. At all business sessions of the Meeting, fifty-one delegates shall constitute a quorum. [Bylaws s. 16 (3)]

VOTING RULES

5. Only elected officials of members are entitled to vote. [Bylaws s. 23]

6. Voting on ordinary resolutions normally shall be by a show of hands (holding the voting card) and the Chair's decision as to whether a motion is won or lost is final unless, immediately upon the decision of the Chair being declared, ten or more voting delegates then present, by standing, demand a standing vote, whereupon the Chair shall again put the same question to the Meeting to be decided by a count of those standing in favour of and against the motion. In the event that the result of the standing vote is questioned by twenty-five or more voting delegates then present, or at any time in the discretion of the Chair, the Chair shall order that the matter before the Meeting be determined by ballot, and the result of such ballot shall be final.

7. Where voting is by ballot, scrutineers shall be appointed by the Chair to distribute the ballot, collect the same, and to count and report the vote.

8. In all cases, where the votes of delegates then present, including the vote of the Chair, are equal for and against a question, the question shall be negatived, and it shall be the duty of the Chair to so declare.

9. No vote by proxy shall be recognized or allowed [Bylaws s. 22(3)].

10. When voting by show of hands all delegates shall hold their voting card. In the case of a ballot, the voting card must be presented and initialed by the scrutineers before a ballot is issued.

12. The Presiding Officer shall enforce order and strict observance of the Constitution and Rules and Procedures. Subject to an appeal to the meeting sustained by a majority vote of delegates present, the Presiding Officer shall have the right to decide all questions of order and the Officer's rulings in this regard shall be final.
13. A delegate wishing to move, second or speak to a motion shall arise and address the Chair and shall wait until he or she is recognized before speaking. Delegates must announce their name, local government office and membership or other qualifications each time they rise to speak.

14. Delegates must confine their remarks to a maximum speaking period of three minutes; including the introducer of a motion.

16. Any amendment and any motion to withdraw any resolution from consideration of the meeting or to refer the same to the Resolutions Committee, or to any other committee, and any motion affecting the resolution must be moved and seconded from the Meeting Floor.

17. Should discussion continue on any resolution for an undue length of time without reasonable agreement being reached, the resolution may be cleared from the floor by a favourable vote to refer the resolution to the Resolutions Committee for further consideration and report.

(Note: Because the time factor does not allow the Resolutions Committee to properly reconsider resolutions, a motion to refer to the Committee will only be accepted in the event adjournment is imminent and there are regular resolutions which have not been dealt with.)

The following are the resolutions received by the February 25, 2011 resolutions deadline. Delegates will receive a Supplementary Information Package when they register onsite in Sidney that will contain the AVICC Executive’s comments and recommendations.

FINANCE

R1 TREYTADE ADVISORY COMMITTEE FUNDING Sunshine Coast RD
WHEREAS the 2008 Memorandum of Understanding between UBCM and the Province of British Columbia included ‘New Relationship’ matters within the mandate of the Treaty Advisory Committee, in addition to treaty negotiations;

AND WHEREAS there is no formal pathway within the context of New Relationship funding which includes the interests of local governments;

AND WHEREAS the information gained from these advisory committees is invaluable for negotiations with First Nations thereby benefitting all parties:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island and Coastal Communities urge the Ministry of Aboriginal Relations and Reconciliation to provide adequate core funding to Treaty Advisory Committees and related organizations.

R2 PROVINCIAL HOUSING TRUST FUNDS North Saanich
WHEREAS leadership, sustained funding, and strong partnerships are required to increase the supply and diversity of affordable housing across British Columbia;

AND WHEREAS a Provincial housing trust fund, similar to the Capital Regional District’s Regional Housing Trust Fund model, is needed to create a stable base of financial resources for the Province to provide subsidized housing in partnership with the private sector and other levels of government:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island and Coastal Communities petition the Province to create Regional Housing Trust Funds from Property Transfer Tax revenues to provide subsidized, supportive and affordable housing for communities where affordable housing is not accessible for those with low incomes such as seniors, single parent families and people with disabilities;

AND BE IT FURTHER RESOLVED that the funds levied for this purpose be kept within the regions they are levied from and disbursement be contingent on financial or in-kind local contributions.

R3 FUNDING FOR VISITOR CENTRES North Saanich
WHEREAS many local visitor centres in British Columbia are in need of a higher level of funding to maintain current levels of services to attract more visitors, which provides economic opportunities for local communities;

AND WHEREAS there is an inadequate level of provincial funding provided to visitor centres and local governments are unable to address this financial shortfall:
THEREFORE BE IT RESOLVED that the Association of Vancouver Island and Coastal Communities petition the Province to increase the level of funding for the improvement and operation of effective visitor centres.

R4 PUBLIC LIBRARY FUNDING Nanaimo City

WHEREAS public libraries enhance the lives of all British Columbians and are an essential resource in all the communities they serve, especially in times of economic hardship;

AND WHEREAS reduced provincial funding impacts the ability of libraries to adequately provide services, materials, and maintain facilities;

THEREFORE BE IT RESOLVED that the Association of Vancouver Island and Coastal Communities and the Union of British Columbia Municipalities work with the British Columbia Library Trustees Association to lobby the provincial government to restore grants for public libraries to 2009 levels;

AND BE IT FURTHER RESOLVED that the amount of grants be adjusted annually thereafter to reflect changes in the Consumer Price Index for British Columbia.

R5 FUNDING FOR PUBLIC LIBRARIES North Saanich

WHEREAS local governments are continuously facing the need for higher tax levies to support British Columbia’s public library system to provide libraries with the resources needed to adequately provide services and maintain and upgrade facilities;

AND WHEREAS systemic reductions in funding from the Province to British Columbia’s public library system has been significantly reducing the ratio of provincial grant to municipal tax levy contributions since 1985:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island Coastal Communities petition the Province to restore public library funding so that the ratio of provincial grants to municipal tax levies is restored to the ratio that existed in 1985.

R6 HERITAGE FUNDING Victoria

WHEREAS the Province of British Columbia has a responsibility to support and conserve the heritage resources of the province, and funding cuts to the Heritage Branch of the Ministry of Tourism, Trade and Investment, Heritage BC and local governments across the province have resulted in a state of crisis for heritage conservation;

AND WHEREAS financial investments in heritage conservation can stimulate urban revitalization, employment, tourism and community pride:

THEREFORE BE IT RESOLVED that the Union of British Columbia Municipalities urge the Province of British Columbia to renew its commitment to heritage conservation in the following manner:
1. Invest a further $10 million in the Heritage Legacy Fund;
2. Restore community support for both local government and community heritage organizations such as Heritage BC;
3. Adopt the draft Provincial Heritage Strategy;
4. Restore the budget of the Heritage Branch; and

TRANSPORTATION

R7 BIKE LANE SWEEPING
Sunshine Coast RD

WHEREAS governments invest in the provision of cycling lanes adjacent to provincial roadways to promote healthy lifestyles and provide alternatives to single occupancy vehicles;

AND WHEREAS gravel and other debris on the cycling paths pose a risk to cyclists and act as an impediment to the use of alternative modes of transportation:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island and Coastal Communities urge the Ministry of Transportation and Infrastructure to amend road maintenance contracts to increase the frequency of bike lane sweeping.

R8 ORV LICENSING & SAFETY
Powell River RD

WHEREAS the provincial government planned to introduce legislation in late 2010 to provide for ATV licensing and safety features;

AND WHEREAS such legislation would greatly enhance back-country activities in rural British Columbia:

THEREFORE BE IT RESOLVED that the AVICC urge the Province of British Columbia to enact legislation as soon as possible in 2011.

R9 GREYHOUND CANADA PROPOSED SERVICE REDUCTIONS
Strathcona RD

WHEREAS the B.C. Passenger Transportation Board is considering an application by Greyhound Canada Transportation ULC for service reductions between Vancouver and Nanaimo which has been initiated as a result of a dispute over terminal parking at B.C. Ferries facilities;

AND WHEREAS the reductions contemplated would have an adverse effect on those who rely on bus transportation between Vancouver Island communities;

THEREFORE BE IT RESOLVED that the B.C. Passenger Transportation Board requested service reductions be denied.

TAXATION

R10 VARYING TAX RATES
Lake Cowichan

WHEREAS there is no legislative provision to allow municipalities to impose separate tax rates for each of land and improvements to encourage property owners to make significant improvements to their properties or to reduce the impact of sudden fluctuations in property values;

AND WHEREAS the current legislative mechanisms such as the revitalization tax exemption or the assessment averaging provisions provided under the Community Charter and Assessment Averaging and Phasing Regulation, B.C. Reg. 370/2003, respectively, have not been proven to be useful tools for mitigating the impact of uneven assessment changes on taxation:

THEREFORE BE IT RESOLVED that the Province be lobbied to amend Section 197 of the Community Charter to allow municipalities to have the flexibility of levying separate tax rates for each of land and improvements for each property class.
WHEREAS section 27(2)(w) of the University Act grants the Board of Governors of a university the following powers:

(w) to pay to a municipality incorporated under an Act a grant in a year not exceeding the lesser of
   (i) the amount that would be payable as general municipal taxes in the year on property of the university within the municipality if the property were not exempt from these taxes, and
   (ii) the amount specified by the minister or calculated in the manner specified by the minister;

AND WHEREAS municipalities have identified considerable loss of tax revenue due to the low amounts calculated under University Act section 27(2)(w)(ii), but local governments have noted no provincial action in response to UBCM resolution 2008-B104, which requested the Province to amend the University Act by replacing section 27(2)(w) with the following:

To pay to a municipality incorporated by or under an act a grant in a year equal to general municipal taxes in the year on property of the university within the municipality if the property were not exempt from these taxes:

THEREFORE BE IT RESOLVED that AVICC and the UBCM urge the Province to address the issue of university grants-in-lieu of taxes by amending section 27(2)(w) of the University Act to specify that a university must pay to a municipality a grant equal to general municipal taxes.

R12 DELINQUENT TAX ON CROWN LAND

WHEREAS the primary source of revenue for BC municipalities is property tax revenue and service fees;

AND WHEREAS and most unpaid fees can be added to property taxes for the purpose of collection;

AND WHEREAS delinquent taxes owed by fee simple properties are collected by tax sale;

AND WHEREAS delinquent taxes owed by crown lease properties cannot be collected by tax sale and are instead cancelled by the Province in the event of non-payment:

THEREFORE BE IT RESOLVED that the Province of BC undertake to pay all delinquent property taxes owed by properties which are under crown lease tenures.

R13 BC HYDRO FAIR COMPENSATION

WHEREAS Crown Corporations are expected to pay their fair share of property taxes by providing a grant-in-lieu;

AND WHEREAS private utilities pay property taxes to municipalities and regional districts on property including rights-of-way for distribution and transmission lines, and private utilities and BC Hydro provide municipalities a 1% tax on gross sales revenues within their jurisdictions:

THEREFORE BE IT RESOLVED that the AVICC and the UBCM lobby the Province of British Columbia to explore the taxation of BC Hydro and implement a fair and equitable method of compensation to all local governments for the provision of local and regional services.
COMMUNITY SAFETY

R14 HOMICIDE INVESTIGATION COSTS

North Saanich and Sidney

WHEREAS the Police Act makes municipalities responsible for the investigation of homicides in British Columbia based on the jurisdiction in which a victim’s body is discovered;

AND WHEREAS the increasing average cost for investigating a homicide could have a major impact to local tax payers in most small and mid-sized communities;

AND WHEREAS equal treatment of homicide investigations should not be impaired by the ability of any given municipality to pay for the investigation costs:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island Coastal Communities petition the Province to amend the Police Act to share the costs of homicide investigations with the province in a way that does not significantly and unfairly impact municipal tax payers.

ENVIRONMENT

R15 PACIFIC AQUACULTURE REGULATIONS

Strathcona RD

WHEREAS the federal government has developed Pacific Aquaculture Regulations under the Fisheries Act which have established a new regulatory regime with respect to commercial aquaculture operations on the British Columbia coast;

AND WHEREAS it is critical that operational compliance standards under the regulations include provisions to mitigate the potential for negative impacts on adjacent land uses:

THEREFORE BE IT RESOLVED that Fisheries and Oceans Canada be requested to expand the current license templates for marine finfish, shellfish and freshwater aquaculture to include specific operational compliance standards that serve to mitigate the potential for negative impact of aquaculture operations on adjacent land uses;

AND BE IT FURTHER RESOLVED that Fisheries and Oceans Canada be requested to defer approval of new aquaculture operations pending written confirmation from local governments that such operations are in compliance with local government regulations;

AND BE IT FURTHER RESOLVED that Fisheries and Oceans Canada be requested to convene a meeting of British Columbia coastal communities, regional districts, local governments and First Nations to provide more clarity on the Pacific Aquaculture Regulations."

R16 AQUACULTURE AGREEMENT

AVICC Executive

WHEREAS on February 9, 2009, the Supreme Court ruled that the federal government – not the provinces – should regulate fish farms, prompting both orders of government to negotiate an Aquaculture Agreement that was reached on December 10, 2010;

AND WHEREAS neither the provincial nor federal government sought to consult with UBCM about how the Aquaculture Agreement would impact local governments, specifically those communities that have bylaws (including zoning) in place with respect to where and how fish farms operate:
THEREFORE BE IT RESOLVED that the AVICC request that the provincial and federal governments recognize the authorities and responsibilities of local governments with respect to aquaculture and immediately consult with them about the impact and implications of the new Aquaculture Agreement;

AND BE IT FURTHER RESOLVED that the provincial and federal governments recognize and respect local government bylaws (including zoning) in the siting, approval and operation of fish farms.

R17 CONSULTATION WITH LOCAL GOVERNMENT REGARDING RESOURCE MANAGEMENT

WHEREAS local government has expressed its duty to be consulted by elected and appointed representatives of the Government of Canada and the Government of British Columbia, in more than 100 resolutions from the Union of BC Municipalities since 1983;

AND WHEREAS the duties and obligations of local government are expressed in the Government of British Columbia in the Community Charter SBC 2003 Part 1 and Par 9 Division 1, which does not identify Local Government as a “Stakeholder”, but rather, a duly appointed Order of Government;

AND WHEREAS the Coastal Community Network, an independent non-government organization comprised of local governments and First Nations collaborating and operating within the Pacific Coast Watershed, expects to be included as a correspondent of all federal and provincial spatial planning processes and policy development as a clearing house of information:

THEREFORE BE IT RESOLVED that the Union of BC Municipalities and the Coastal Community Network:

a) develop a mechanism(s) that ensures meaningful consultation with Canada and British Columbia with respect to all sustainability policies and processes affecting life in the Pacific Coast Watershed;

b) establish an appropriate platform for community-to-community relations between the urban/rural local governments and First Nations at an appropriate regional level across the Pacific Coast Watershed; and

c) advise and promote the Coastal Community Network as a suitable organization for Canada and British Columbia to jointly invest in as a one stop resource management assessment and referral delivery authority, co-Chaired by elected leaders drawn from the local government and First Nation leadership resident on the coast, as a long term and final solution to sustainment.

R18 DFO REFERRAL TIMES

WHEREAS all new and remedial development in riparian and marine environments, including emergency response measures and work to repair, develop or maintain essential infrastructure, must be referred to the Department of Fisheries and Oceans for approval;

AND WHEREAS response time from Department of Fisheries and Oceans to referrals varies widely and often leads to unacceptable project delays resulting in local governments’ inability to respond to urgent public safety issues and/or economic hardship to governments and communities;

NOW THEREFORE BE IT RESOLVED THAT the Department of Fisheries and Oceans adopt a policy committing the Department to provide a response to referrals within 30 days of receipt of any development referral from a Local Government or First Nation Government;

AND THAT any referral which goes unanswered after 30 days of receipt be deemed to be approved.
R19  ANNUAL HALIBUT QUOTA  

WHEREAS the recreational and sport fishing industry is an essential economic driver for many communities along the coast of British Columbia;

AND WHEREAS the federal government changed the quota system in 2003 requiring the recreation fishing industry to rely on a fixed percentage of the annual catch;

AND WHEREAS the allocation between recreational and commercial sectors in the Canadian halibut fishery during years of low abundance will destroy the economic viability of coastal communities and deny Canadian citizens access to the common property resource of halibut;

AND WHEREAS a base guaranteed limit is a more fair and equitable approach that would allow the recreation and commercial fishing industries to survive during years of low annual quotas:

THEREFORE BE IT RESOLVED that the federal government purchase or lease the required commercial halibut quota to establish a permanent annual guaranteed base limit and season for recreational fishermen of 1 halibut per day, 2 in their possession, February 1 to December 31 of each year.

R20  GLASS SPONGE REEF PROTECTION  

WHEREAS ancient and fragile glass sponge reefs previously thought to be extinct exist off British Columbia’s coast and are at risk from disturbances caused by trawling, trapping and anchoring;

AND WHEREAS Fisheries and Oceans Canada has designated the Hecate Strait/Queen Charlotte Sound glass sponge reefs as an Area of Interest within the Pacific North Coast:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island and Coastal Communities urge Fisheries and Oceans Canada to also designate the glass sponge reefs in the Southern Strait of Georgia (specifically McCall Bank, Howe Sound, Fraser Ridge, Active Pass, Nanaimo, Coulee Bank and Parksville) as “areas of interest” for protection.

R21  ILLEGAL DUMPING  

WHEREAS illegal waste disposal is detrimental to the environment and our communities;

AND WHEREAS local governments are being called on to expend greater resources in order to monitor and clean up illegal dump sites:

THEREFORE BE IT RESOLVED that the Ministry of Environment be requested to make additional financial and human resources available to assist with enforcement, monitoring and clean up of illegal dump sites on Crown land.

R22  CONTROL OF CANADA GEESE  

WHEREAS the Canada Goose was introduced and habituated to the Capital Region in the early 1950s by the BC Fish and Wildlife Service to provide stock for hunting purposes;

AND WHEREAS recent population counts of Canada Geese now fluctuate between 3000 to 5000 in the Capital Region and these geese inflict significant damage to farms crops in Metchosin and on the Saanich Peninsula:
THEREFORE BE IT RESOLVED that AVICC and UBCM work with the provincial and federal governments to manage and control burgeoning populations of Canada geese which, left uncontrolled, present major and significant human health and safety, food production, environmental, recreational, water quality and other impacts; and that AVICC support continued provincial support for the multi-phased approach adopted by the Peninsula Agriculture Commission.

R23 BEE IMPORTATION

WHEREAS local honey bee populations on Vancouver Island and the Gulf Islands are in danger of contracting diseases and pests from mainland North America that significantly affect the health of honey bees, and which are not currently present on Vancouver Island and the Gulf Islands;

AND WHEREAS the Province recently lifted a 22 yearlong quarantine that prohibited the importation of honey bees from mainland North America to Vancouver Island and the Gulf Islands:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island Coastal Communities petition the Province to protect the health of island bee populations by restoring the former quarantine that had prohibited the importation of honey bees from mainland North America to Vancouver Island and the Gulf Islands.

R24 NATURAL AREA TAX EXEMPTION PROGRAM

WHEREAS the Islands Trust currently offers a Natural Area Protection Tax Exemption Program which provides property tax relief of up to 65% for owners who wish to enter into a conservation covenant to protect important natural features of their property;

AND WHEREAS Regional Districts may wish to support and encourage property owners to preserve natural areas for the benefit of future generations:

THEREFORE BE IT RESOLVED that the Ministry of Community, Sport and Cultural Development be requested to grant regional districts the legislative authority to implement natural area protection tax exemption programs.

R25 DEVELOPMENT OF A NATURE AND CLIMATE CONSERVATION STRATEGY

WHEREAS the Province-led Biodiversity BC has declared that without immediate action, BC’s globally significant biodiversity and the ecological services on which we all depend, are vulnerable to rapid deterioration due to the challenges posed by expanding human settlement and development, especially in light of climate change;

AND WHEREAS the 179 local governments to date that have signed-on to the BC Climate Action Charter, recognize both the urgent need to implement effective measures to reduce GHG emissions and anticipate and prepare for climate change impacts, and that protecting the environment can be done in ways that promote economic prosperity, e.g., forest conservation carbon credits:

THEREFORE BE IT RESOLVED that the AVICC recommend that the Province of British Columbia develop a science-based Nature and Climate Conservation Strategy, that would concurrently accomplish:

- allowing more species to survive and adapt to a changing climate;
- protecting the natural carbon stores in our primary and intact forests other ecosystems;
- protecting water and other vital ecosystem services that support both human well-being and a conservation-based economy; and
- supporting sustainable natural resource management that is based on prioritizing the needs of the ecosystems.
R26 ENDANGERED SPECIES & ECOSYSTEMS PROTECTION ACT

WHEREAS the rich biodiversity of British Columbia, which is of critical importance to maintaining ecosystem integrity and human well-being, is in danger from the more than 1,900 species that are at risk of extinction or extirpation in British Columbia;

AND WHEREAS there is little legislation in British Columbia to protect the vast majorities of species and ecosystems that are at risk of extinction:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island Coastal Communities petition the Province to enact an effective Species and Ecosystem Protection Act to protect British Columbia’s biodiversity.

HEALTH

R27 FOOD SAFETY AT COMMUNITY EVENTS

WHEREAS the Village of Alert Bay has a long tradition of tournaments and festivals which have traditionally included street vendors selling locally prepared food;

AND WHEREAS there has never been a case of food borne illness associated with the consumption of the food from these street vendors;

AND WHEREAS the Vancouver Island Health Authority is taking enforcement action against street vendors and sellers and providers of homemade food at community events:

THEREFORE BE IT RESOLVED that the AVICC request that the Vancouver Island Health Authority develop reasonable policies that will allow the sale and provision of foods prepared in non-commercial kitchens and which are not cost prohibitive or otherwise prohibitively onerous to the average citizen.

R28 ELIMINATON OF MSP PREMIUMS FOR SENIORS

WHEREAS all seniors living in British Columbia must pay Medical Services Plan (MSP) premiums;

AND WHEREAS, with the elimination of MSP premiums, British Columbia seniors would have more money for healthy living:

THEREFORE BE IT RESOLVED that the Union of British Columbia Municipalities (UBCM) support, in principle, the elimination of MSP premiums for all seniors in the Province of British Columbia;

AND BE IT FURTHER RESOLVED that the UBCM conduct a workshop on all of the factors involved in such a resolution.

R29 ELIMINATION OF MSP PREMIUMS FOR SENIORS

WHEREAS British Columbia is the only provincial jurisdiction in Canada in which senior citizens must pay Medical Service Plan premiums for medical insurance;

AND WHEREAS the Municipal Pension Fund has to joint fund the Medical Service Plan premiums for retirees;

AND WHEREAS there would be additional pension funds to support group health benefits if the Municipal Pension Fund did not have to pay towards Medical Service Plan premiums:
THEREFORE BE IT RESOLVED that the Association of Vancouver Island Coastal Communities petition the Province to eliminate Medical Service Plan premiums for medical insurance in the province of British Columbia for all seniors.

AND BE IT FURTHER RESOLVED that the Union of British Columbia Municipalities support the retirees of the Municipal Pension Plan by agreeing that upon the elimination of Medical Service Plan premiums that the present percentage of employers’ contributions previously used for MSP premiums, be used to assist in the payment of group health benefits.

R30  RESTORE FUNDING TO HOSPITALS  Sechelt

WHEREAS provincial funding to properly equip and operate hospitals in British Columbia has been inadequate for a number of years;

AND WHEREAS this lack of funding causes unfair inequities from community to community, and leaves some hospital's without equipment and others with high levels of resources:

THEREFORE BE IT RESOLVED that the provincial government be urged to properly fund construction of and supply of adequate equipment and furnishing for hospitals in this Province.

R31  FOR-PROFIT CLINICS  Victoria

WHEREAS everyone must have the right to high quality, responsive and appropriate health care which is publicly funded, publicly accountable and publicly controlled, regardless of an individual's income, ability, age, cultural heritage, sex, sexual orientation or geographical location;

AND WHEREAS for-profit clinics represent an increasing and serious threat to British Columbians’ health and the financial stability of the health care system;

AND WHEREAS the number of private, for-profit surgical and MRI/CT facilities in BC has more than doubled in the past five years, with a growing number of for-profit facilities operating in breach of the Canada Health Act's criteria requiring universality and accessibility by charging patients privately for medically necessary and MSP insured hospital or physician services;

AND WHEREAS there is clear evidence that such clinics cost more than public facilities, increase wait times by draining scarce health human resources from the public system, and compromise patient safety:

THEREFORE BE IT RESOLVED that the Union of BC Municipalities (UBCM) request that the Province of British Columbia;

1. Establish a moratorium on any further expansion of private, for-profit surgical and MRI/CT clinics;
2. Require an end to public funding of for-profit clinics, including the contracting-out of day surgeries and the provision of Health Authority contracts to for-profit clinics;
3. Require full accountability and transparency on the part of for-profit clinics by ensuring that they submit to all oversight and regulatory mechanisms currently applied to public facilities operating under the B.C. Hospital Act; and
4. Expand public capacity by requiring the development of publicly funded and administered outpatient facilities;

AND BE IT FURTHER RESOLVED that UBCM continue to research and monitor the threat to universal public health care posed by the operations of private, for-profit surgical and MRI/CT facilities in its member communities.
R32 TAX ON SELECTED PROCESSED FOODS

Tofino

WHEREAS over the past several years, Canada has experienced an alarming increase in obesity rates among adults, children and youth, and obesity is a preventable disease;

AND WHEREAS obesity is an important individual and population health issue, as it is a contributor to a wide variety of chronic diseases, such as diabetes, cardiovascular disease, hypertension and liver disease, as well as breast, colon and prostate cancer;

AND WHEREAS the costs of medical care are expected to soar in the coming years and currently, in many jurisdictions “sin taxes” already exist on cigarettes and alcohol which help to fund medical care resulting from using these products:

THEREFORE BE IT RESOLVED that the provincial government impose a tax no less than 10% on processed food that contains levels of sugar, sugar substitutes, salt, or fats, that exceed the nutritional allowance contained in Health Canada’s guidelines and that these monies be used to help offset the medical costs associated with obesity.

R33 AGE RESTRICTIONS ON INDOOR TANNING

Esquimalt

WHEREAS using indoor tanning devices is particularly damaging for youth and increases their risk of melanoma (the deadliest form of skin cancer);

AND WHEREAS the Medical Health Officers’ Council of BC calls upon the Province of British Columbia to use its regulatory powers to restrict use of indoor tanning beds by persons under the age of 18:

THEREFORE BE IT RESOLVED that UBCM lobby the provincial government to introduce legislation to ban indoor tanning for youth under the age of 18.

ELECTIONS

R34 LOWERING THE VOTING AGE

Tofino

WHEREAS the historic turnout of eligible voters for Provincial and Civic elections is getting less and less each year, in the future, it is possible that the majority of people eligible to vote, won’t vote;

AND WHEREAS when a citizen is 16 years old, they can obtain a drivers licence, work full time and pay tax, be tried in courts as adults, and join a political party and have voting rights within that party;

AND WHEREAS, civic politics can be a required subject to be taught in high schools and would likely increase the interest of youth in the political process:

THEREFORE BE IT RESOLVED that AVICC and UBCM urge the provincial government to lower the voting age to sixteen years.

R35 ALLOW VOTERS MORE CHOICE

Tofino

WHEREAS if citizens do not like the candidates on a ballot, they simply stay away from the polling booth because they have no way to register their dissatisfaction. This is against democratic principles, the right to choose and not to choose. A “None of the Above” (NOTA) option would allow everyone to participate in the democratic process;
AND WHEREAS all legitimate consent requires the ability to withhold consent; "None of the Above" gives the voter the ballot option to withhold consent from an election to office, just as voters can cast a "No" vote on a ballot question;

AND WHEREAS those ridings where the majority of the votes cast are for “None of the Above”, that jurisdiction would ensue a by-election within a time frame designated by the province;

AND WHEREAS provincially, currently, political parties decide who would run in each riding. A NOTA option would decide the fate of the political parties' choices, instead of the parties deciding the voters' choices. This would further the ability for the people, not the political parties to determine their representative:

THEREFORE BE IT RESOLVED that AVICC and UBCM urge the Provincial government to allow for the NOTA clause on all ballots in a provincial and civic election.

SELECTED ISSUES

R36  CHARITABLE STATUS OF CANADIAN ENVIRONMENTAL ORGANIZATIONS  Port McNeill

WHEREAS millions of dollars annually are transferred from US-based charitable foundations such as Tides USA to registered charities in Canada such as Tides Canada;

AND WHEREAS some of the activities of these registered charities do not appear to be charitable:

THEREFORE BE IT RESOLVED that the Federal Minister of Revenue be requested to review the “charitable” status of these organizations and if justified, cancel their “charitable” status.

R37  ANIMAL ABUSE  Victoria

WHEREAS there have been many incidents of animal abuse in the news lately, and, the British Columbia Society for the Prevention of Cruelty to Animals (BC SPCA) receives no government funding to conduct animal cruelty investigations and lacks sufficient resources to enforce the provisions of the Prevention of Cruelty to Animals Act, resulting in increased demands on local government to take action in response to animal welfare complaints;

AND WHEREAS Saskatchewan recently increased the maximum fine for animal abuse under its Animal Protection Act to $25,000, while the maximum fine in BC under the Prevention of Cruelty to Animals Act is $5,000 for the first and $10,000 for a second or subsequent offence:

THEREFORE BE IT RESOLVED that the Union of British Columbia Municipalities request the Province of British Columbia to demonstrate its commitment to the welfare of animals in the province by:

1. providing appropriate funding to allow the BC SPCA to effectively prevent and respond to incidents of animal abuse; and
2. investigating whether increases to the maximum penalties under the Prevention of Cruelty to Animals Act may assist in reducing incidents of animal abuse.

PART 3 – LATE RESOLUTIONS

Delegates will receive a Supplementary Information Package when they register onsite in Sidney that will contain the AVICC Executive’s report on resolutions received after the February 25, 2011 deadline.

AVICC is the collective voice for local government on Vancouver Island, the Sunshine Coast, Powell River and the Central Coast. The membership elects directors during the Convention to ensure the directions set by the general membership are carried forward. The Executive also provides the direction to the AVICC between Conventions.

This circular is notice of the AVICC Executive positions open for nomination, the process and the procedures for nomination.

1. **POSITIONS OPEN TO NOMINATIONS**

   The following positions are open for nomination:
   - President
   - Director at Large (3 positions)
   - First Vice-President
   - Electoral Area Representative
   - Second Vice-President

2. **NOMINATION PROCESS AND QUALIFICATIONS FOR OFFICE**

   A candidate must be nominated by two elected officials of an AVICC local government member. The candidate must be an elected official of an AVICC member.

   Background information that defines the key responsibilities and commitments of an AVICC Executive member is available on request from the AVICC Office.

   A nomination and consent form should be used for all nominations (available by calling the AVICC Office or on the website at www.avicc.ca.

   The Chair of the 2011 Nominating Committee is Barry Janyk, Past President.

3. **NEXT STEPS**

   It is part of the duties of the Nominating Committee to review the credentials of each candidate. A Report on Nominations including, at the candidate's option, a photo and 300-word biography will be prepared under the direction of the Nominating Committee and distributed in the AVICC Convention Newsletter.

   **To Be Included In The Report on Nominations, Nominations Must Be Received By**
   **FEBRUARY 25, 2011**
4. **FINAL COMMENTS**

The nomination process does not change the process where candidates can be nominated off the floor at the Convention. That process remains in place. The process outlined above provides for those that are interested in seeking office to be directly nominated prior to the Convention without the "sanction" of a Nominating Committee.

5. **FURTHER INFORMATION**

Copies of the "consent form" or duties of Executive members are available from the AVICC office or on the website at www.avicc.ca

All other inquiries should be directed to:
