

Is your community troubled by mill closures, lay-offs or forest stewardship plans that don't clearly articulate what is actually happening on the ground in your area? If yes, then the UBCM's Community Economic Development (CED) Committee wants to hear from you.

You can provide your feedback by completing the [Forestry Survey](#) by January 15, 2016. A summary of the survey results will be shared through the UBCM's Compass newsletter.
