Association of Vancouver Island and Coastal Communities

2013 AGM & Convention Newsletter

MESSAGE FROM THE PRESIDENT

Number 32 - March 2013

Soon we will get together for our Annual General Meeting & Convention in Sooke, a community at the edge of the temperate rainforest that offers small town hospitality and spectacular scenery combined with a rich history and numerous recreational and cultural opportunities.

As always, a wide variety of resolution topics of interest to island and coastal community local governments will be debated. In addition to the regular business of the AGM, a number of presentations and workshops on topical issues have been scheduled throughout the three days. Thank you to members who responded to our request for program ideas. I believe that we have a great program as a result.

We are pleased to have Vaughan Palmer as our keynote speaker Friday afternoon. Representatives from UBCM's Select Committee on Local Government Finance will also be on hand Friday afternoon to lead a discussion about financial issues facing our communities. Marine Biologist, Ramona de Graaf is scheduled to wrap up Sunday morning with her presentation titled "More Than a Pretty Beach."

Staff has been working closely with the local organizing committee to ensure you have a full range of activities, providing an opportunity to talk to, learn from and relax with your fellow delegates. As always, thank you to our sponsors. Without their support, we would not be able to provide delegates with the same value added Convention experience.

On behalf of the AVICC Executive, we look forward to seeing you in Sooke.

*President Joe Stanhope
Chair of the Nanaimo Regional District*
