Re: BCUC Decision – FortisBC’s Application for Common Rates, Amalgamation and Rate Design Application

Please forward to AVICC elected officials and the CAO.

AVICC Executive members were very disappointed to receive the recent BC Utilities Commission decision to not approve FortisBC Energy Utilities Common Rates, Amalgamation and Rate Design Application. AVICC will continue to work closely with FortisBC staff to understand the implications and the next steps to be taken and expect that FortisBC representatives will be able to provide an update to the delegates of the 2013 AVICC AGM & Convention.
