  1. AVICC Members
  2. AVICC Life Members
On behalf of the AVICC Executive, I look forward to welcoming you to the 64th Annual General Meeting and Convention April 12-14 in Sooke. As always, it will be a terrific opportunity for AVICC members to come together to debate resolutions, engage in discussion of issues, share best practices and socialize with their fellow members. Thank you to the District of Sooke, our host community for 2013.

It has been a busy year for the Association. The following provides a brief summary of the work undertaken on behalf of members during the year.

REPRESENTING AVICC ON THE UBCM BOARD AND OTHER BOARDS
It has again been my distinct pleasure to serve on the UBCM Executive as AVICC’s representative. AVICC again benefitted from a second representative on the UBCM Board with AVICC’s Director-At-Large and City of Campbell River Councillor Claire Moglove being re-elected for a second term. We both serve on the Resolutions and First Nations Relations Committees. In the second year of a three-year term, Sidney Mayor Larry Cross continues to represent AVICC members on the Municipal Insurance Association Board.

ACTIVITY AND ADVOCACY ON KEY FILES
Natural Gas Operating Agreement Renewal Process
Considerable work has been undertaken on this file over the past year. AVICC registered as an intervener in the BC Utilities Commission (BCUC) process relative to FortisBC’s application for Common Rates, Amalgamation and Rate Design Application. Many AVICC members also responded by forwarding their own letters of support and garnering letters of support from their communities. Executive was very disappointed to receive notification on February 25 that BCUC had denied the application for common rates and, as the application for amalgamation was contingent on common rates, it was not considered.

A pro forma operating agreement, that includes provisions for operating fees to be collected should a local government wish to access them and should the Provincial government permit them, was drafted and distributed to members last fall. The draft of the pro forma agreement is currently in the process of being reviewed by FortisBC and local government legal advisors with the expectation that the review will be completed soon.

A meeting was held September 25 with Garth Thoroughgood, Acting Assistant Deputy Minister, Ministry of Energy, Mines and Natural Gas to reiterate AVICC members’ strong support for the application before BCUC and discuss the process that is required to allow for operating fees. Legislative changes will be required and advocacy by local governments will be needed to ensure that the required changes are supported.

It is unclear what the implications of the BCUC decision will have on the next steps in the operating agreement renewal process and for island consumers and communities. Local government and FortisBC representatives have been working closely over the past two years and it is expected that we will continue to do so. It is anticipated that a clearer picture will emerge by the time Convention arrives and FortisBC will be able to provide a comprehensive update.

Oil Spill Preparedness
In follow-up to the session held at 2012 AVICC Convention, Graham Knox, Manager, Environmental Emergencies, Ministry of Environment attended the June 20 regular Executive meeting. Discussion touched on a number of issues including tsunami debris, derelict vessels and oil spill preparedness. A session titled "World-Leading Spill Response--Are We Ready?" conducted by the Western Canada Marine Response Corporation will be incorporated into the 2013 Convention program.

Tsunami Debris
As a result of the June 20 discussion with Graham Knox, AVICC Executive recommended an amendment to Resolution R11 - Tsunami Debris to Hit West Coast in 2014 endorsed by AVICC members in Ucluelet to incorporate the need for a funding strategy to be developed to offset potential costs to local governments.
UBCM delegates endorsed the amended resolution. A clinic on Tsunami Debris was included for Tuesday, September 26 at the UBCM Convention and was well received.

AVICC recommended Alberni-Clayoquot's CAO, Russell Dyson to serve on the Tsunami Debris Management Planning Team. Russell extended an invitation to staff of other affected local governments to develop a communication loop so that all affected were able to provide their input to the Committee and receive information from the Committee. Delta CAO, George Harvie; Skeena-Queen Charlotte CAO, Joan Merrick; and Karla Robison, Manager of Emergency Services from Ucluelet also participated on the Tsunami Debris Management Planning Team. A total of twenty-nine individuals were listed as team participants in the meeting minutes. UBCM’s Policy Analyst Jared Wright is participating on the Tsunami Debris Coordinating Committee.

**Derelict Vessels**

In follow-up to Island Trust's request to AVICC, the Executive asked the Joint Working Group for Removal of Derelict Vessels (JWGRDV) to develop a factsheet to assist local governments in the interim of finding a long-term solution for managing derelict vessels. Provincial staff drafted a factsheet by early September; however, because of delays in the legal review process, it has not yet been released.

Also stalled in the legal review process was the release of the Transport Canada's *Study of the extent of abandoned and derelict vessels in Canada*. AVICC members participated in the survey in January 2012. The report was finally released February 22, 2013. Regrettably the report provided limited new information or enlightenment in steps to move forward with resolving the issue, but with its release AVICC Executive, after the May provincial election, will be able to follow-up their earlier meeting request with the Minister of Forests, Lands and Natural Resource Operations to seek continued support from the Province to push toward finding a long-term solution for derelict vessels.

**Aquaculture Agreement**

At the November 2011 consultation meeting held in Courtney, AVICC representatives requested that local government requirements be communicated to applicants at the time of applying for their licences. The Province is taking responsibility for moving the application toward a full online process and in looking for ways to incorporate local governments’ needs, Sean Herbert, Director, Provincial Program Delivery with Ministry of Forests, Lands and Natural Resources proposed the establishment of a small working group with staff representatives from local governments. Eight nominations were received from an invitation for local government staff to participate. Four nominees were chosen: Mike Irg, Manager of Planning & Development, Alberni-Clayoquot RD; Terri Martin, Environmental Coordinator, City of Campbell River; Courtney Simpson, Island Planner, Islands Trust; and Rick Davidge, CAO, District of Port Hardy.

In a December 19, 2012 letter to UBCM President Sjostrom copied to AVICC, the Department of Fisheries and Oceans advised that they were planning to establish three Aquaculture Management Advisory Committees and were seeking local government representation and feedback on the proposed approach and terms of reference. President Stanhope supported UBCM’s Community Economic Development Committee's recommendation to the UBCM President that UBCM advocate for the number of representatives be increased from the current allocation of one seat, to two or three seats. UBCM has communicated the request and early feedback indicates that alternatives for wider representation are being considered that will provide opportunities for AVICC member participation.

**BC Ferries**

As AVICC President and Chair of the Nanaimo Regional District, I have been supporting AVICC Director and Powell River Chair Colin Palmer who has been leading an advocacy group on issues related to BC Ferries. A number of meetings with key people have been held over the past year. Meetings have involved Commissioner Gordon Macatee, Transportation Minister Mary Polak and Judy Kirk, the consultant responsible for the November/December 2012 Provincial public engagement/consultation process. The report from the consultation was released March 5 and is available under the Documents tab of [http://www.coastalferriesengagement.ca](http://www.coastalferriesengagement.ca). The advocacy group met with Minister Polak, North Island MLA Claire Trevena and Esquimalt-Royal Roads MLA Maurine Karagianis March 12. It is expected the there will be an opportunity to provide an update on this work at the upcoming AGM & Convention.
**DIALOGUE WITH OTHER ORGANIZATIONS**

The regular Executive meeting also provides the opportunity to invite other organizations to meet with AVICC representatives. In addition to those noted above, delegations included:

- Greg Goodwin, Executive Director, Regional Economic Policy and Projects with Jobs, Tourism and Innovation attended the June 20 meeting to discuss more specifically the plans being undertaken in the AVICC region. AVICC Executive clearly communicated the barrier created by high ferry fares in terms of tourism, businesses being able to get their goods on and off the islands and challenges in attracting employees due to the cost of getting on and off the island. It was clarified that small communities and employers are equally as important in the work being undertaken as those that are in the media headlines of the day.

- Toni O’Keeffe, VIHA’s Vice President & Chief, Communications and External Relations attended the October 19 meeting to provide a broad overview of the operations and issues facing VIHA with strategies and plans for the future. Executive members raised a number of issues including VIHA wait times as compared to other regions; strategies to recruit and retain doctors and prevent poaching from one health authority to another; extending of public health professionals’ work schedules to allow for work with community organizations; contacts for partnering to deal with homelessness; and connecting world class facilities with support for training programs.

- James Terry, Board Member with the Tourism Industry Association of BC, attended the October 19 meeting to provide a brief overview of the history and reasons for establishing the Provincial Destination Marketing Task Force and responded to a number of questions raised by members.

- Bill Bourgeois with the BC Healthy Forests-Healthy Communities Initiative attended the January 18 meeting to provide an overview of the initiative titled "A conversation on BC forests." A final report and six recommendations specific to communities was forwarded to AVICC members in February and is available under "What’s New" on their website: bcforestconversation.com

**AGM & CONVENTION**

**Reflecting Back on the 2012 Event in Ucluelet** - Uclulet was the host community for the 63rd AGM & Convention. The District of Ucluelet provided an exceptional overall Convention experience. Delegates were thrilled with the hospitality, the fantastic weather, the westcoast culture and scenery and the enthusiasm of the youth volunteers and the general community contributions. Once again we thank Mayor Bill Irving and Council for hosting.

The 2012 Convention exceeded attendance records set in 2011 in Sidney by attracting 196 voting and 25 non-voting members with 42 others including life members, sponsors, exhibitors, MLA’s and MP’s, speakers and guests participating at various times. 117 partners/guests joined delegates. A total of 321 participants attended the Friday evening Welcome Reception held at the Black Rock Resort and 280 attended the Annual Banquet held at the Ucluelet Community Centre. Overall the AGM & Convention received strong approval ratings with the well-deserved accolades to the local host community. Feedback received is being incorporated into the 2013 event.

**Looking Forward to the 2013 Event in Sooke** - As one Convention wraps up, work begins on the next. The host community for the 2013 AGM & Convention is the District of Sooke. Mayor Wendal Milne and Council are thanked in advance for their generous hospitality. Among the highlights will be keynote speaker Vaughn Palmer and a performance by the Sooke Philharmonic Orchestra.

30 resolutions and 8 nominations for the 7 elected Executive positions were received prior to the February 25, 2013 deadline and are reported later in this report. Nominees’ biographies will be published in the Pre-Convention Newsletter that will be distributed electronically to members in late March. For full 2013 AGM & Convention details, please see www.avicc.ca.

**AVICC Annual Luncheon At The 2012 UBCM Convention** – 279 delegates attended the annual luncheon held September 26 in conjunction with the 2012 UBCM Convention in Victoria. The primary goal of the luncheon is to provide a networking opportunity for members during the UBCM Convention; however, highlights of the
brief program included the WoodWORKS Presentation of the Community Recognition Award, recognition of life members and other distinguished guests in attendance, and a brief address by Campbell River Councillor Claire Moglove seeking member support for her nomination for UBCM Director at Large. Councillor Moglove was elected providing an additional voice on the UBCM Board on behalf of AVICC members.

Planning for Future Years’ AGM & Conventions
Members were invited to forward expressions of interest to host 2014-2016 AGM & Conventions. In total six communities expressed interest in at least one of the three years available. Each proposal came with its share of highlights and opportunities. In the end Executive could choose only three. The following communities have been chosen as host communities for the next three years:

2014 – Parksville and Qualicum Beach
2015 – Courtenay
2016 – Nanaimo

MEMBER VISITS
As was the case last year, I did not specifically undertake membership visits; however, work on behalf of the membership has provided a wealth of opportunities to connect with members including Gas Tax Program announcements in North Cowichan, Nanaimo, Parksville and the Comox Valley Regional District and serving on the Regional District Chairs BC Ferries Advocacy Group.

MEMBERSHIP, FINANCIAL AND ADMINISTRATION
• 100% membership has been maintained.
• A Special Resolution is being brought forward to the membership in April to revise the AVICC Constitution to allow First Nations and other local governments who meet certain conditions to become AVICC members.
• AVICC enjoys being in a solid financial position. As a result, Executive is pleased to report that there will not be a need to increase member dues this year.
• AVICC is in the fourth year of a five-year Contract for Services with UBCM; the agreement expires January 2015.

COMMUNICATIONS
• The 2012 AGM & Convention Minutes were transcribed and distributed in spring of 2012.
• The 2013 AGM & Convention Program Brochure, this Annual Report and Resolutions Book, and a Pre-conference Newsletter will have been produced and distributed in preparation for the 2013 AGM & Convention.
• A number of circulars, member updates and news releases were prepared and distributed.
• www.avicc.ca is maintained as the primary communication tool.

IN SUMMARY
Thank you once again for the honour of serving as your president this year. It has continued to be a great experience that offers a sense of accomplishment in being able to provide advocacy on behalf of AVICC members on a number of key files. It will be my continuing pleasure to serve on the Executive as Past President.

Chair Joe Stanhope
President
SUMMARY OF THE 2012 RESOLUTION DISPOSITIONS

A total of 30 resolutions were submitted to the April 2012 AVICC AGM & Convention. 23 were endorsed; 2 were not endorsed; 2 were withdrawn and 3 were not admitted for debate.

The 23 endorsed resolutions were submitted to UBCM by the June 30 deadline. UBCM determined that three of the resolutions were regional in nature and would not be considered at the UBCM Convention including: Bamfield Road Safety Issues; British Columbia Transit Act and Support for Catalyst Paper. AVICC Executive took action on the three with responses available under the Documents tab on www.avicc.ca.

In addition to the resolutions endorsed at the AVICC Convention, AVICC members brought an additional 31 resolutions directly to UBCM. The UBCM resolutions process urges members to submit resolutions first to Area Associations for consideration as endorsement by the Area Association offers sponsors the benefit of having greater support than one that is sent directly with only the support of an individual Council or Board. AVICC Executive seeks members’ cooperation in to following this process.

All UBCM endorsed resolutions were conveyed to the relevant provincial and federal government department, or other organizations as appropriate. Most responses have now been received and have been communicated to the sponsors. They are also posted on http://www.ubcm.ca under the Resolutions tab.

INDEPENDENT AUDITORS' REPORT

To the Members of Association of Vancouver Island and Coastal Communities

Report on the Financial Statements

We have audited the accompanying financial statements of Association of Vancouver Island and Coastal Communities, which comprise the statements of financial position as at December 31, 2012, December 31, 2011 and January 1, 2011, the statements of operations and changes in net assets and cash flows for the years ended December 31, 2012 and December 31, 2011, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audits is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Association of Vancouver Island and Coastal Communities as at December 31, 2012, December 31, 2011 and January 1, 2011, and its results of operations and its cash flows for the years ended December 31, 2012 and December 31, 2011 in accordance with Canadian accounting standards for not-for-profit organizations.
Report on Other Legal and Regulatory Requirements

As required by the Society Act (British Columbia), we report that, in our opinion, the accounting policies applied by the Association of Vancouver Island and Coastal Communities in preparing and presenting the financial statements in accordance with Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

ASSOCIATION OF VANCOUVER ISLAND AND COASTAL COMMUNITIES

Notes to Financial Statements

Years ended December 31, 2012 and 2011

Nature of operations:

Association of Vancouver Island and Coastal Communities (the “Association”) is incorporated under the Society Act (British Columbia) and is exempt from the requirement to pay income taxes. Its purpose is to promote autonomy within local government and to advance the principles of local government. The Association represents the various municipalities and regional districts of Vancouver Island, Powell River and the Sunshine and Central Coasts.

On January 1, 2012, the Association adopted Canadian Accounting Standards for Not-For-Profit Organizations in Part III of the CICA Handbook (“ASNPO”). These are the first financial statements prepared in accordance with Not-For-Profit Standards.

In accordance with the transitional provisions in ASNPO, the Association has adopted the changes retrospectively, subject to certain exemptions allowed under these standards. The transition date is January 1, 2011 and all comparative information provided has been presented by applying ASNPO.

There are no adjustments to net assets as at January 1, 2011 or excess of revenues over expenses for the year ended December 31, 2011 as a result of the transition to ASNPO.

1. Significant accounting policies:

These financial statements are prepared in accordance with Canadian Accounting Standards for Not-For-Profit Organizations in Part III of the CICA Handbook. The Association's significant accounting policies are as follows:

(a) Basis of presentation:

These financial statements present the financial position, results of operations and changes in net assets of the Association and, as such, do not include all the assets, liabilities, revenue and expenses of the members of the Association.

There is no provision in the accounts for income taxes as the activities of the Association are considered to be carried on a not-for-profit basis.

(b) Cash and cash equivalents:

Cash and cash equivalents are defined as cash and highly liquid investments consisting of term deposits with original maturities at the date of purchase of three months or less.
1. Significant accounting policies (continued):

(c) Revenue recognition:

The Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount received can be reasonably estimated and collection is reasonably assured.

Annual meeting sponsorships, registration and exhibit revenues are recognized as revenue when the conference takes place.

Association dues are recognized as revenue in the year they are earned and collection is reasonably assured.

(d) Contributed materials and services:

Due to the difficulty in determining fair value, contributed materials and services are not recognized in the financial statements.

(e) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Association has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method (or effective interest rate method).

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Association determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Association expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future year, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.
1. Significant accounting policies (continued):

   (f) Capital assets:

   In accordance with the ASNPO Handbook section 4431, "Tangible capital assets held by
   not-for-profit organizations" the Association has not capitalized any expenditures during
   the year. In 2012 there were no capital expenditures (2011 - $3,276). Capital assets
   owned by the Association are categorized as furniture, computer software and computer
   hardware.

   (g) Use of estimates:

   The preparation of financial statements in conformity with accounting standards for Not-
   For-Profit Organizations requires management to make estimates and assumptions that
   affect the reported amounts of assets and liabilities and disclosure of contingent assets
   and liabilities at the date of the financial statements and the reported amounts of revenues
   and expenses during the year. Actual results could differ from those estimates.

2. Financial instruments:

   Interest income during 2012 totaled $1,965 (2011 - $1,777). There was no interest expense in
   either year.

   Short term investments consist of amounts on deposit in the Municipal Finance Authority of
   British Columbia's money market fund.

3. Deferred contributions:

   Deferred contributions consist of $44,665 (2011 - $44,665) of provincial grants restricted for the
   facilitation of the activities of the treaty advisory committee in addition to $2,000 (2011 - $7,000)
   of sponsorship revenues received in advance for the 2013 conference.

4. Contractual commitments:

   The Association has a contract with the Union of British Columbia Municipalities for secretarial
   and office services. Payments under this contract in 2012 were $13,133 quarterly (2011 -
   $12,875). The amounts are subject to adjustment each January.

2. Delegates will use the floor microphones when speaking.

3. All elected officials of members attending the Annual Meeting of the Association shall be delegates entitled to participate in debates and to vote on any matter before the Meeting. [Bylaws s. 23] Other delegates shall not be entitled to the privilege of the floor unless authorized by the Meeting. Guest speakers may be permitted at the direction of the Executive.

4. At all business sessions of the Meeting, fifty-one delegates shall constitute a quorum. [Bylaws s. 16 (3)]

VOTING RULES

5. Only elected officials of members are entitled to vote. [Bylaws s. 23]

6. Voting on ordinary resolutions normally shall be by a show of hands (holding the voting card) and the Chair's decision as to whether a motion is won or lost is final unless, immediately upon the decision of the Chair being declared, ten or more voting delegates then present, by standing, demand a standing vote, whereupon the Chair shall again put the same question to the Meeting to be decided by a count of those standing in favour of and against the motion. In the event that the result of the standing vote is questioned by twenty-five or more voting delegates then present, or at any time in the discretion of the Chair, the Chair shall order that the matter before the Meeting be determined by ballot, and the result of such ballot shall be final.

7. Where voting is by ballot, scrutineers shall be appointed by the Chair to distribute the ballot, collect the same, and to count and report the vote.

8. In all cases, where the votes of delegates then present, including the vote of the Chair, are equal for and against a question, the question shall be negatived, and it shall be the duty of the Chair to so declare.

9. No vote by proxy shall be recognized or allowed [Bylaws s. 22(3)].

10. When voting by show of hands all delegates shall hold their voting card. In the case of a ballot, the voting card must be presented and initialed by the scrutineers before a ballot is issued.

12. The Presiding Officer shall enforce order and strict observance of the Constitution and Rules and Procedures. Subject to an appeal to the meeting sustained by a majority vote of delegates present, the Presiding Officer shall have the right to decide all questions of order and the Officer's rulings in this regard shall be final.
13. A delegate wishing to move, second or speak to a motion shall arise and address the Chair and shall wait until he or she is recognized before speaking. Delegates must announce their name, local government office and membership or other qualifications each time they rise to speak.

17. Should discussion continue on any resolution for an undue length of time without reasonable agreement being reached, the resolution may be cleared from the floor by a favourable vote to refer the resolution to the Resolutions Committee for further consideration and report.

(Note: Because the time factor does not allow the Resolutions Committee to properly reconsider resolutions, a motion to refer to the Committee will only be accepted in the event adjournment is imminent and there are regular resolutions which have not been dealt with.)

That Sections 3, 4 (1) and 4 (2) of the Bylaws on Membership be deleted and replaced with new sections 3, 4 (1) and 4 (2). The section would then read:

Part 2 – Membership

3. The members of the Society are

That Sections 7 (e), 23 (1), (2) and (3), 25 (3), and 28 (3) of the Bylaws then be amended for clarity, consequential to the amendments to Sections 3 and 4.

23. (1) A member local government may vote by its authorized representative who is entitled to speak and vote, and in all other respects exercise the rights of a member, and that representative must be considered as a member for all purposes with respect to a meeting of the Society.

PART 1 – REFERRED RESOLUTIONS
The following are resolutions that were referred to the Association by UBCM.

RR1 REGULATIONS FOR MOTORIZED SCOOTERS

WHEREAS motorized scooters are unclearly defined under provincial legislation and there are no licencing requirements for scooters and scooter operators;

AND WHEREAS without regulations to control when and where scooters are used and appropriate training and testing of scooter operators, the safety of all motorists, businesses and pedestrians are at risk;

THEREFORE BE IT RESOLVED that the Town of Sidney supports regulating the use of motorized scooters and the licencing of scooters and scooter operators and that UBCM encourage the provincial government to implement these provisions under the Motor Vehicle Act.

UBCM comments:

This was submitted to UBCM in 2012 as a late resolution, but did not meet the criteria to be admitted for debate as an emergency resolution. In keeping with UBCM policy, the resolution has been forwarded to the Area Association for consideration as part of the 2013 resolutions cycle.

The Resolutions Committee notes that UBCM membership endorsed resolution 2007-B106, which called on the provincial government to establish province-wide guidelines for the safe operation of motorized scooters.

In response, the provincial government referenced a partnership between the Office of the Superintendent of Motor Vehicles, the Insurance Corporation of British Columbia (ICBC) and the Ministry of Transportation to “develop a coordinated action plan to address the recommendations of the provincial coroner respecting the safe operation of motorized scooters”. The Province indicated that this would include a review of the Motor Vehicle Act to determine what amendments might be required to support motorized scooter safety.

RR2 FISH HABITAT PROTECTION

WHEREAS the federal government, by passage of Bill C-38 has removed the rule against “Harmfully Altering, Disrupting or Destroying” (HADD) fish habitat with a general requirement not to cause “serious harm” to fisheries;

AND WHEREAS the new, generalized and simple language of “serious harm” does not adequately define or provide enough protection for natural, aquatic habitat;

AND WHEREAS allowing developers to simply substitute the natural, aquatic habitat with alternative locations will not replace the need for an intact ecosystem with adequate levels of biodiversity to support aquatic survival:

THEREFORE BE IT RESOLVED that the provisions of C-38 respecting fish habitat protection be removed and replaced by the pre-existing HADD rules so that better protection of aquatic habitat is contained in Canadian law.

UBCM comments:

This was submitted to UBCM in 2012 as a late resolution, but did not meet the criteria to be admitted for debate as an emergency resolution. In keeping with UBCM policy, the resolution has been forwarded to the Area Association for consideration as part of the 2013 resolutions cycle.

In the 2012 “Report on Resolutions Received After the Deadline”, resolution 2012-LR11 was referred to resolution B80 in the 2012 Resolutions Book. The UBCM membership endorsed resolution 2012-B80.

UBCM has not yet received a response to resolution 2012-B80 from the federal government.
WHEREAS the Province of British Columbia has enacted the BC Weed Control Act to protect farmland and farmers’ livelihood against the spread of noxious weeds that are extremely competitive with crops and are difficult and costly to control;

AND WHEREAS Scotch Broom is invasive, spreads rapidly, can render farm land unusable for growing food crops, destroys pasture lands, is toxic to grazing animals, inhibits re-growth of forests, eliminates native vegetation, contains toxic chemicals or substances that can affect the nervous system and the heart and is highly flammable;

AND WHEREAS the Ministry of Forests & Range states that it is “important that broom is recognized as a threat to our biodiversity and preventative means be taken to arrest its spread”:

THEREFORE BE IT RESOLVED that UBCM request the Ministry of Agriculture to designate Scotch Broom as a noxious weed under the BC Weed Control Act.

UBCM comments:

This was submitted to UBCM in 2012 as a late resolution, but did not meet the criteria to be admitted for debate as an emergency resolution. In keeping with UBCM policy, the resolution has been forwarded to the Area Association for consideration as part of the 2013 resolutions cycle.

The Resolutions Committee notes that the UBCM membership has endorsed resolutions calling for the inclusion of specific plant species under the Weed Control Act (1992-B42 purple loosestrife; 2004-B73 giant hogweed).

PART 2 – RESOLUTIONS RECEIVED BY THE DEADLINE

The following are the resolutions received by the February 25, 2013 resolutions deadline. Delegates will receive a Supplementary Information Package when they register onsite in Sooke that will contain the Resolutions Committee’s Comments and Recommendations.

Part 2 – Section “A” – This section contains resolutions that feature new issues of interest to all members.

COMMUNITY SAFETY

R1 EMERGENCY MANAGEMENT BRITISH COLUMBIA

WHEREAS on October 27, 2012, Emergency Management British Columbia did not notify local governments in a timely manner of the tsunami warning;

AND WHEREAS, after consultation between local governments and Emergency Management BC, there was no improvement in notification timing during subsequent earthquake and tsunami warnings;

AND WHEREAS the safety of citizens in coastal communities is dependent upon early warning of impending tsunamis and their potential destructive forces:

THEREFORE BE IT RESOLVED that the Union of BC Municipalities urge the provincial government to demonstrate its commitment to the safety of BC coastal communities by providing the necessary resources to Emergency Management BC, to replace the outdated Provincial Emergency Notification System (PENS) with the latest technological advances in notification systems and ensure information from the West Coast and Alaska Tsunami Warning Centre (WCATSC) is provided immediately upon receipt of a tsunami warning, with follow up notifications as necessary.

R2 TSUNAMI WARNINGS

WHEREAS the coastal communities of British Columbia are at risk of significant loss of life in the event of a tsunami;
AND WHEREAS early and accurate information is the key to ensuring that appropriate steps are taken by the effected communities:

THEREFORE BE IT RESOLVED that UBCM urge the Province of British Columbia to take immediate action to resolve all issues with tsunami warning so as to ensure that warnings are broadcast within 2 minutes of a National Oceanic and Atmospheric Administration (NOAA) assessment of a warning, watch or advisory for any British Columbia coastal area.

**R3  FLOOD MANAGEMENT RESPONSIBILITY**  
**Central Coast RD**

WHEREAS within the Province of British Columbia there are a large number of waterways subject to periodic, sudden and extensive flooding, including overland flooding which has potentially profound adverse consequences in terms of life safety, private and public property interests, economic prosperity and public infrastructure;

AND WHEREAS the Province of British Columbia is the steward of the water resources within the province where local authorities lack the mandate, statutory jurisdiction, financial and technical resources, equipment and staff necessary to provide emergency site response, mitigation and flood remediation works:

THEREFORE BE IT RESOLVED that the Province of British Columbia take immediate and direct responsibility for flood management including but not limited to:

- Provision of emergency response resources for the use of local governments
- Identification of flood related hazards;
- Remediation of stream channels so as to mitigate future flooding;
- Monitor stream flows and levels in waterways posing a risk to life, safety or property;
- Respond to sudden cessation of stream flows or reports of debris dams, executing tactical evacuations when warranted and communicate with the Emergency Operations Centre.

**TRANSPORTATION**

**R4  REDUCING DEFAULT SPEED LIMITS FOR MUNICIPAL ROADS**  
**Victoria**

WHEREAS local governments are concerned about resident safety on municipal streets, and lower vehicle speeds reduce the severity of injuries to pedestrians in vehicle/pedestrian collisions;

AND WHEREAS consistent province-wide speed limits promote driver awareness and ease enforcement between municipalities:

THEREFORE BE IT RESOLVED that UBCM lobby the Province of British Columbia to amend the *Motor Vehicle Act* to limit the default speed limit on a highway in a municipality to 40 km/h.

**R5  BIKE LANES ON PROVINCIAL ROAD RIGHTS-OF-WAY**  
**Sunshine Coast RD**

WHEREAS the Ministry of Transportation and Infrastructure has requested local governments building paths on provincial road rights-of-way to provide invasive species management plans, have work overseen by an environmental monitor and assume responsibility for invasive plant management in the permitted area in perpetuity, in addition to providing for maintenance, including any sweeping which exceeds standards outlined in road maintenance contracts;

AND WHEREAS local governments are building paths to encourage people to use environmentally friendly alternatives to vehicles and should not be burdened with the costs of tasks within the jurisdiction of the Ministry, such as sweeping or ongoing invasive plant management:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island and Coastal Communities urge the Ministry of Transportation and Infrastructure to ensure permit conditions for construction and maintenance do not provide a deterrent to local governments wishing to expand active transportation networks.
ENVIRONMENT

R6 STREAMKEEPERS — WORKS IN STREAMS

WHEREAS Streamkeepers and other such non-profit societies provide a valuable service in protecting and enhancing fish habitat;

AND WHEREAS, under the current federal Department of Fisheries and Oceans and provincial regulations, non-profit societies are not able to receive the appropriate approvals to undertake certain projects that would greatly improve fish habitat;

THEREFORE BE IT RESOLVED that UBCM urge the Department of Fisheries and Oceans and the Province of British Columbia to permit non-profit societies to do works in streams for the purpose of improving fish habitat.

R7 COASTAL DOUGLAS FIR PARTNERSHIP

WHEREAS the Ministry of Forests, Lands and Natural Resource Operations has established the multi-agency Coastal Douglas Fir and Associated Ecosystems Partnership (CDFCP) to provide a strategic and collaborative approach to conservation of these ecosystems and which is intended to be funded by the participants;

AND WHEREAS local governments have limited means to raise revenues outside of property taxes to fund initiatives such as the Coastal Douglas Fir and Associated Ecosystems Partnership;

THEREFORE BE IT RESOLVED that the Association of Vancouver Island and Coastal Communities urge the Ministry of Forests, Lands and Natural Resource Operations to ensure the Province adequately resources the CDFCP, including the implementation of recommendations made.

R8 WATERSHED PROTECTION

WHEREAS the majority of Vancouver Island communities draw drinking water from an active working forested watershed;

AND WHEREAS logging companies are not required to submit a long range forestry plan:

THEREFORE BE IT RESOLVED that the Province of British Columbia enact legislation that requires all land and tenure holders logging in a municipal watershed to have in place a one hundred year cut rotation plan;

AND BE IT FURTHER RESOLVED that all logging companies have environmental policies in place that protect the integrity of municipalities’ drinking water.

R9 UNDERGROUND AQUIFER MAPPING FOR PROPOSED MINING PROJECTS

WHEREAS there are concerns that mining projects can negatively affect surrounding aquifers;

AND WHEREAS many people rely on these aquifers for drinking water:

THEREFORE BE IT RESOLVED that the provincial government conduct comprehensive mapping and modeling of aquifers that may be affected by proposed mines before approving mine projects.

R10 GENETICALLY ENGINEERED (GE) PLANTS & ANIMALS

WHEREAS some Genetically Engineered (GE) crops, through pollination, can disperse their pollen and genes indiscriminately and potentially contaminate non-GE crops, resulting in lawsuits, loss of organic certification, and marketability;

AND WHEREAS there is particular concern with the transfer of DNA between species and the potential unintended consequences, especially with animal species;
AND WHEREAS Vancouver Island and associated coastal communities are isolated from other agricultural areas in British Columbia, which can provide practical approaches to avoiding contamination by GE organisms and these locations suggest that there is an opportunity for local farmers to provide organic production, to help maintain long-term sustainability, to foster a living seed bank, and to be a refuge from genetically engineered contamination:

THEREFORE BE IT RESOLVED that AVICC ask the British Columbia government to legislate the prohibition of importing, exporting and growing plants and seeds containing genetically engineered DNA, and raising GE animals, on Vancouver Island and in associated coastal communities and in the marine waters nearby, and to declare, through legislation, that the area encompassed by AVICC is a GE Free area in respect to all plant and animal species.

R11 REMOVAL OF CARBON TAX FROM BIO FUELS Highlands

WHEREAS the Greenhouse Gas Reduction (Renewable and Low Carbon Fuel Requirements) Act has mandated the reduction of fossil carbon emissions and the use of renewable fuels;

AND WHEREAS the removal of Motor Fuel Tax exemptions and the additional application of the Carbon Tax to the production and sale of pure (100%) biofuels since 2010 has had a negative impact on biofuel producers and suppliers within BC, and has resulted in a decrease in the availability of pure renewable fuels that have the greatest potential to reduce fossil carbon emissions:

THEREFORE BE IT RESOLVED that the Province of BC amend the Green House Gas Reduction (Renewable and Low Carbon Fuel Requirements) Act to remove the Carbon Tax from the entire biofuel portion of all fuel production and sales and restore the Motor Fuel Tax exemptions for the biofuel producers and suppliers of British Columbia, and provide further incentives to ensure that the renewable fuel sector continues as a viable industry for BC consumers and supports provincial greenhouse gas reduction objectives.

TAXATION & ASSESSMENT

R12 NEW PROPERTY CLASS FOR LARGE COMMERCIAL ENTITIES Courtenay

WHEREAS the current property assessment class 06 business/other is a broad class that captures any property use not defined elsewhere;

AND WHEREAS local governments are restricted in managing local taxation policy by the broad nature of the class:

THEREFORE BE IT RESOLVED that the provincial government examine the possibility that an additional property assessment class be added to capture the concept of commercial entity size as a property class for the purposes of property taxation.

LAND USE

R13 LICENCES ISSUED BY THE PROVINCIAL GOVERNMENT Nanaimo RD

WHEREAS the Provincial Ministry of Agriculture recently issued harvesting licences that allow for the removal of thousands of tonnes of beach-cast seaweed from the Vancouver Island shoreline;

AND WHEREAS local governments were not aware of the issuance of these licences and are not made aware of other licences issued by the Province that may impact local government:

THEREFORE BE IT RESOLVED that the provincial government be required to inform local governments when they are issuing licences for activity to take place on lands within or adjacent to any local government.
WHEREAS the financial viability of BC farms is threatened by the rising cost of farmland due in part to speculative acquisition of BC farmland, possibly by foreign investors and investment companies, as recognized in the 2010 publication by Canada’s National Farmers Union, Losing Our Grip;

AND WHEREAS BC’s food sovereignty is threatened by foreign control of BC food production, and that foreign owners and investment companies could profit from Canadian taxpayer-funded farm subsidies without providing an income for BC farmers nor food for consumption by BC residents:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island Coastal Communities petition the Province to:

1. Assemble data on current foreign ownership of farm land inside and outside the Agricultural Land Reserve in BC and maintain a registry;
2. Support and strengthen the powers of the Agricultural Land Commission and take measures to protect the agricultural land base from price speculation; and
3. Take measures to limit foreign and investment company ownership of BC farmland, similar to measures taken in Alberta, Manitoba and Prince Edward Island.

WHEREAS many owners of private managed forest land are planning for its sale for residential and commercial development rather than committing to long-term forest production;

AND WHEREAS the land is under valuated by BC Assessment:

THEREFORE BE IT RESOLVED that the provincial government be called upon to review the method of land valuation of private managed forest land intended for development and to impose a duty on owners of private managed forest land to consult with the local government in which the land is located.

WHEREAS the recreational and sport halibut fishery is an essential economic driver for many communities along the coast of British Columbia;

AND WHEREAS the recreational and sport halibut fishery depends on an assurance of quota during a specific season to ensure that appropriate arrangements can be made for accommodations;

AND WHEREAS the Ministry of Fisheries and Oceans has created considerable uncertainty by delaying announcements or announcing unanticipated closures in recreational and sport halibut:

THEREFORE BE IT RESOLVED that the AVICC request that the Ministry of Fisheries and Oceans ensure that the open season for the recreational and sport halibut fishery is set prior to the end of February and that the closing date to be no earlier than mid-September, subject to not exceeding the recreational fishing quota, to enable maximum benefit to be derived from this fishery.

WHEREAS human health and the production of safe and healthy food products for human consumption can be compromised by sewerage system malfunctions or poor design;
AND WHEREAS complaints to BC Health Authorities and the self-regulating professional associations have had poor results due to 1) a lack of regulated third party oversight; and 2) the limited ability to provide oversight with respect to agricultural products:

THEREFORE BE IT RESOLVED that the Province require British Columbia Health Authorities to implement third party monitoring of sewerage installations on and abutting farmland or, at minimum, on a random basis.

SELECTED ISSUES

R18 CONFLICT OF INTEREST

WHEREAS the recent Court of Appeal decision in Schlenker v. Torgimson, 2013 BCCA 9 broadened the interpretation of the conflict of interest provisions under sections 100 and 101 of the Community Charter, determining that a local government elected official who also serves on the board of directors of a non-profit organization is deemed to have an indirect pecuniary conflict of interest when voting on grants offered by the local government to non-profit organizations;

AND WHEREAS this broadened interpretation of the conflict of interest provisions has significant implications for those local government elected officials who also serve on the board of a non-profit organization, since contravention of the conflict of interest provisions could result in disqualification from local government elected office:

THEREFORE BE IT RESOLVED that the Province work with UBCM to identify a remedy that clarifies the responsibilities and suggested conduct of local government elected officials who serve on the boards of non-profit organizations, so that they may continue to serve in both positions concurrently, without fear of disqualification from local government elected office due to conflict of interest.

Part 2 - Section “B” - This section contains resolutions that support existing UBCM policy including:
- Previously considered and endorsed resolutions; or
- Resolutions in keeping with the UBCM policy, including previously approved policy papers or other documents.

COMMUNITY SAFETY

R19 EMERGENCY PREPAREDNESS

WHEREAS there is a need for well-trained experienced personnel to deal with catastrophic emergency events that may occur in their communities:

THEREFORE BE IT RESOLVED that the Province of British Columbia through Emergency Management BC be asked to continue to provide funding for training programs for existing and future emergency personnel, by 2014.

R20 SEARCH & RESCUE SQUAD FUNDING

WHEREAS Search and Rescue Squads in British Columbia are not directly funded through the Province, each year they are required to apply for gaming grants which are not guaranteed and amounts vary;

AND WHEREAS Search and Rescue Squads provide an extremely valuable service in our vast province and consistent annual core funding, including equipment costs should be provided by the Province:

THEREFORE BE IT RESOLVED that Association of Vancouver Island and Coastal Communities request the provincial government to directly fund 100% of the costs for Search and Rescue Squad services.
R21 BEAR AWARE FUNDING  
Sunshine Coast RD

WHEREAS the evolving criteria and competitive process for securing Bear Aware/Wild Safe BC funding is counterproductive to local governments requiring funding certainty to ensure continuity of a service provided in partnership with other organizations;

AND WHEREAS small rural local governments are less able to respond to evolving program criteria and funding requirements:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island and Coastal Communities urge the Ministry of Environment to provide financial support and work with the BC Conservation Foundation to revise the funding criteria for the Bear Aware/Wild Safe program to ensure interested communities can participate without having to compete against other jurisdictions for funding.

R22 RCMP SMALL MUNICIPALITY DETACHMENTS  Sayward

WHEREAS RCMP detachments in small municipalities through their presence, liaison and regular patrols deter criminal activity in these communities and surrounding areas, supplying a sense of security to our citizens;

AND WHEREAS RCMP are presently investigating the cost cutting measures of closing small municipality detachments in favour of centralizing their staff into larger urban detachments, some over an hour’s travel time from the current detachment location in the small municipality;

AND WHEREAS this would leave small municipalities vulnerable to increased criminal activity, slow response times and lack of security:

THEREFORE BE IT RESOLVED that Association of Vancouver Island Coastal Communities call upon UBCM and the provincial government to liaise with RCMP and affected small municipalities to maintain the status quo and retain all small municipality detachments.

TRANSPORTATION

R23 BC FERRY FARES  Powell River RD

WHEREAS coastal communities consider that ferry services are an integral part of the provincial highway system;

AND WHEREAS increasing ferry fares are crippling coastal community economies:

THEREFORE BE IT RESOLVED that the AVICC and the UBCM lobby the provincial government to recognize the coastal ferry services as essential extensions of our provincial public highway system and to ensure that ferry fares are reduced and core service levels are maintained at current service levels until such time as the provincial government implements legislation that recognizes our coastal ferry services as essential extensions of our provincial public highway system and creates equity between BC’s terrestrial and marine, interior and coast highway systems.

ENVIRONMENT

R24 CARBON SEQUESTRATION OFFSETS – LOCAL GOVERNMENT OWNED TREES  Port Alberni

WHEREAS most local governments in B.C. have signed on to the Province’s Climate Action Charter committing to be carbon neutral in their operations by 2012;

AND WHEREAS the provincial Climate Action Secretariat has advised that carbon sequestered by trees in a local government’s urban forest and park lands is not eligible to be counted as offsetting carbon output under the Climate Action Charter:
THEREFORE BE IT RESOLVED that the Province of BC instruct the provincial Climate Action Secretariat to change their position regarding acceptance of carbon sequestered by trees owned by a local government as an accepted offset of carbon produced.

R25  DERELICT & ABANDONED VESSELS  Islands Trust

WHEREAS the UBCM previously endorsed resolutions in 2005, 2010, and 2012 proposing constructive solutions and encouraging the federal and provincial governments to take action on the issue of derelict and abandoned vessels;

AND WHEREAS the issue continues to be of significant concern to coastal communities for economic, aesthetic, environmental and safety reasons:

THEREFORE BE IT RESOLVED that the UBCM again petition the provincial and federal governments to increase their efforts to work together to create a permanent solution to the issue of abandoned and derelict vessels that includes sustainable funding sources.

FINANCE

R26  ADEQUATE FUNDING FOR RESPONSIBILITIES  Victoria

WHEREAS additional responsibilities assumed by local governments through double devolution should include authority to access the existing tax revenues;

AND WHEREAS funding for additional responsibilities should be equal to the cost of those responsibilities in recognition that there is a single taxpayer who should not feel an additional burden when a different level of government offers the service:

THEREFORE BE IT RESOLVED that the UBCM work with the Province of British Columbia to ensure that current and future responsibilities devolved to local government from the Province include revenue commensurate with those responsibilities.

R27  INFRASTRUCTURE GRANTS FOR SMALL MUNICIPALITIES  Sayward

WHEREAS small local governments throughout British Columbia are experiencing significant challenges providing its citizens with adequate municipal infrastructure and facilities;

AND WHEREAS due to the small tax base of these local governments, they are unable to fund the cost of significant infrastructure projects and upgrades and as a result are falling behind their larger counterparts in providing its citizens with adequate infrastructure and facilities;

AND WHEREAS due to the small tax base of these local governments they often cannot fund the annual financing payments required to undertake the majority of these significant infrastructure and facility projects:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island Coastal Communities call upon the Union of British Columbia Municipalities to lobby the Provincial and the Federal governments to implement an infrastructure grants program directed towards small local governments to assist them with the cost of infrastructure and facilities upgrades.

LAND USE

R28  LANDSCAPE SECURITY  Cowichan Valley RD

WHEREAS Section 925 of the Local Government Act permits the collection of security for the performance of specified development permit conditions;
AND WHEREAS it is administratively costly for local governments to pursue compliance and impractical to use security to undertake required works or construction on private land:

THEREFORE BE IT RESOLVED that the provincial government amend Section 925 of the Local Government Act to allow local governments to collect a 5 percent per month administrative fee on conditions of a development permit that are deemed to be in default in order to provide further incentive for the developer to satisfy the conditions of a Development Permit.

COMMUNITY ECONOMIC DEVELOPMENT

R29 CANADA-EUROPEAN COMPREHENSIVE ECONOMIC & TRADE AGREEMENT Cumberland

WHEREAS Canadian municipalities have expressed growing concerns with trade agreements and their potential impacts on municipal procurement policies which favour local suppliers:

THEREFORE BE IT RESOLVED that the provincial government negotiate a clear, permanent exemption for local governments from CETA.

SELECTED ISSUES

R30 ACCESS TO LEGAL SERVICES Lantzville

WHEREAS:

A. Funding for legal aid was cut back by over 40% in 2002 and the small increases since then have not kept up with inflation and as a result there is a very low level of legal aid coverage (almost none in family cases, none in poverty law cases, and limited criminal defence and refugee case coverage);
B. The funding of legal aid in British Columbia is 10th out of 13 provinces and territories;
C. Self-represented litigants who have legal problems that are not effectively resolved have escalating problems of poverty, homelessness, mental illness, lack of employability and deteriorating health;
D. Such persons live in our community and their unresolved, or badly resolved, legal problems mushroom and become the problems of our community;
E. Self-represented persons cause slow-downs and backlogs in our courts which have negative repercussions for individuals and businesses who use the courts to resolve disputes; and
F. Slow-downs and backlogs in the courts also give rise to public safety concerns because persons accused of crime are not tried in a timely way, sometimes are not tried at all because of the delays, and public safety officials, such as the police, spend undue amounts of time on such cases instead of making our communities safe:

THEREFORE BE IT RESOLVED that the Association of Vancouver Island and the Union of BC Municipalities calls on the provincial government to:

1. Commit to increased, long term, stable funding for the Legal Services Society;
2. Recognize legal aid as an essential service fundamental to a just society; and
3. Engage in a constructive dialogue to affect change to improve access to legal services for all British Columbians which will positively affect BC communities.

PART 3 – LATE RESOLUTIONS

Delegates will receive a Supplementary Information Package when they register onsite in Sooke that will contain the Resolutions Committee Report on Resolutions Received after the Deadline.

4. (1) A city, district, township, town, village, regional district or other local government that meets the criteria in Bylaw 3(2) and (3) may apply to the directors for membership in the Society and on acceptance by the directors and having paid the membership dues is a member.

(2) Except for a person who is an authorized representative under Bylaw 23(1) of a member local government, any person who is an official of a member by virtue of having been elected in accordance with the laws of British Columbia or Canada ['Elected Officials'], may apply to the Directors for membership in the Society and on acceptance by the Directors is a member until they no longer hold office.

5. Every member must uphold the constitution and comply with these Bylaws.

6. (1) The amount of the first annual membership dues must be determined by the directors and after that the annual membership dues must be determined at the general meeting of the Society.

(2) The annual membership dues must be paid before the annual general meeting and before members will be permitted to vote at the annual general meeting.

(3) A person accepted for membership under Bylaw 4(2) is not required to pay any annual membership dues.

7. A person ceases to be a member of the Society,

(a) by delivering his or her resignation in writing to the Secretary of the Society or by mailing or delivering it to the address of the Society;

8. (1) A member may be expelled by a special resolution of the members passed at a general meeting.

(2) The notice of special resolution for expulsion must be accompanied by a brief statement of the reasons for the proposed expulsion.

(3) The person who is the subject of the proposed resolution for expulsion must be given an opportunity to be heard at the general meeting before the special resolution is put to a vote.

9. All members are in good standing except a member who has failed to pay his or her current annual membership fee, or any other subscription or debt due and owing by the member to the Society, and the member is not in good standing so long as the debt remains unpaid.

Part 3 – Meetings of Members

10. General meetings of the Society must be held at the time and place, in accordance with the Society Act, that the directors decide.

11. Every general meeting, other than an annual general meeting, is an extraordinary general meeting.

12. The directors may, when they think fit, convene an extraordinary general meeting.

13. (1) Notice of a general meeting must specify the place, day and hour of the meeting, and, in case of special business, the general nature of that business.

(2) The accidental omission to give notice of a meeting to, or the non-receipt of a notice by, any of the members entitled to receive notice does not invalidate proceedings at that meeting.

14. The first annual general meeting of the Society must be held not more than 15 months after the date of incorporation, and after that an annual general meeting must be held at least once in every calendar year and not more than 15 months after the holding of the last preceding annual general meeting. The location of an annual general meeting other than the first annual general meeting must be determined by ordinary resolution at the annual general meeting.

Part 4 – Proceedings at General Meetings

15. Special business is

(a) all business at an extraordinary general meeting except the adoption of rules of order, and

(b) all business conducted at an annual general meeting, except the following:

(i) the adoption of rules of order;
(ii) the consideration of the financial statements;
(iii) the report of the directors;
(iv) the report of the auditor, if any;
(v) the election of directors;
(vi) the appointment of the auditor, if required;
(vii) the other business that, under these Bylaws, ought to be conducted at an annual general meeting, or business that is brought under consideration by the report of the directors issued with the notice convening the meeting.
16. (1) Business, other than the election of a chair and the adjournment or termination of the meeting, must not be conducted at a general meeting at a time when a quorum is not present.

(2) If at any time during a general meeting there ceases to be a quorum present, business then in progress must be suspended until there is a quorum present or until the meeting is adjourned or terminated.

(3) A quorum is 51 members present or a greater number that the members may determine at a general meeting.

17. If within 30 minutes from the time appointed for a general meeting a quorum is not present, the meeting, if convened on the requisition of members, must be terminated, but in any other case, it must stand adjourned to the same day in the next week, at the same time and place, and if, at the adjourned meeting, a quorum is not present within 30 minutes from the time appointed for the meeting, the members present constitute a quorum.

18. Subject to Bylaw 19, the president of the Society, the vice president or, in the absence of both, one of the other directors present, must preside as chair of a general meeting.

19. If at a general meeting

(a) there is no president, vice president or other director present within 15 minutes after the time appointed for holding the meeting, or

(b) the president and all the other directors present are unwilling to act as the chair,

the members present must choose one of their number to be the chair.

20. (1) A general meeting may be adjourned from time to time and from place to place, but business must not be conducted at an adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

(2) When a meeting is adjourned for 10 days or more, notice of the adjourned meeting must be given as in the case of the original meeting.

(3) Except as provided in this Bylaw, it is not necessary to give notice of an adjournment or of the business to be conducted at an adjourned general meeting.

21. (1) The chair of a meeting may move or propose a resolution.

(2) In the case of a tie vote, the chair does not have a casting or second vote in addition to the vote to which he or she may be entitled as a member, and the proposed resolution does not pass.

(3) Unless the Society Act or these Bylaws otherwise provide, any action to be taken by a resolution of the members of the Society may be taken by ordinary resolution.

(4) Resolutions will be considered by the Society at the annual general meeting only if they are in the hands of the secretary/treasurer no later than 45 days prior to the annual general meeting in sufficient copies to permit distribution to the clerk or secretary of the members.

(5) Copies of the resolutions received by the secretary/treasurer must be distributed to the clerk or secretary of the members at least 14 days prior to the annual general meeting.

(6) Notwithstanding the foregoing, the members may submit any matter to the Annual General Meeting for consideration or action at any time if 3/4 of members in attendance at the Annual General Meeting approve.
Despite clause (6) above, a resolution to amend the Constitution or these Bylaws must be given in writing to the secretary/treasurer 45 days before an annual general meeting or special meeting.

A member in good standing present at a meeting of members is entitled to one vote.

Voting is by show of hands.

Voting by proxy is not permitted.

A member local government may vote by its authorized representative who is entitled to speak and vote, and in all other respects exercise the rights of a member, and that representative must be considered as a member for all purposes with respect to a meeting of the Society.

Only a member accepted under Bylaw 4(2) may be an authorized representative under Bylaw 23(1) for either a member municipality, a member regional district, the Islands Trust or other local government, in which he or she holds office, but not for more than one of them.

When a member accepted under Bylaw 4(2) has been made an authorized representative under Bylaw 23(1), that person then ceases to be a member of the Society in accordance with Bylaw 7(f).

Part 5 – Directors and Officers

The directors may exercise all the powers and do all the acts and things that the Society may exercise and do, and that are not by these Bylaws or by statute or otherwise lawfully directed or required to be exercised or done by the Society in a general meeting, but subject, nevertheless, to all laws effecting the Society, these Bylaws, and rules, not being inconsistent with these Bylaws, that are made from time to time by the Society in a general meeting.

A rule, made by the Society in a general meeting, does not invalidate a prior act of the directors that would have been valid if that rule had not been made.

The president, immediate past president, first vice president, second vice president, three directors at large, Electoral Area Representative elected annually at the Annual Meeting, and one or more other persons are the directors and the executive of the Society.

The number of directors must be 8 or a greater number determined from time to time at a general meeting.

27. (1) The directors may at any time and from time to time appoint a member as a director to fill a vacancy in the directors.

(2) A director so appointed holds office only until the conclusion of the next annual general meeting of the Society, but is eligible for re-election at the meeting.

28. (1) If a director resigns his or her office or otherwise ceases to hold office, the remaining directors must appoint a member to take the place of the former director.

(2) An act or proceeding of the directors is not invalid merely because there are less than the prescribed number of directors in office.

29. (1) The members may, by special resolution, remove a director, before the expiration of his or her term of office, and may elect a successor to complete the term of office.

(2) The office of a director must be vacated if the director:

(2) The directors may from time to time set the quorum necessary to conduct business, and unless so set the quorum is 5 of the directors then in office.
(3) The president is the chair of all meetings of the directors, but if at a meeting the president is not present within 30 minutes after the time appointed for holding the meeting, the first vice president must act as chair, but if neither is present the directors present may choose one of their number to be the chair at that meeting.

32. (1) The directors may delegate any, but not all, of their powers to committees consisting of the director or directors as they think fit.

(2) A committee so formed in the exercise of the powers so delegated must conform to any rules imposed on it by the directors, and must report every act or thing done in exercise of those powers to the earliest meeting of the directors held after the act or thing has been done.

33. A committee must elect a chair of its meetings, but if no chair is elected, or if at a meeting the chair is not present within 30 minutes after the time appointed for holding the meeting, the directors present who are members of the committee must choose one of their number to be the chair of the meeting.

34. The members of a committee may meet and adjourn as they think proper.
35. For a first meeting of directors held immediately following the appointment or election of a director or
directors at an annual or other general meeting of members, or for a meeting of the directors at which a
director is appointed to fill a vacancy in the directors, it is not necessary to give notice of the meeting to
the newly elected or appointed director or directors for the meeting to be constituted, if a quorum of the
directors is present.

36. A director who may be absent temporarily from British Columbia may send or deliver to the address of the
Society a waiver of notice, which may be by letter, telegram, telex or cable, of any meeting of the directors
and may at any time withdraw the waiver, and until the waiver is withdrawn,

majority of votes.

(2) In the case of a tie vote, the chair does not have a second or casting vote.

38. A resolution proposed at a meeting of directors or committee of directors need not be seconded, and the
chair of a meeting may move or propose a resolution.
