The 2018 AVICC AGM & Convention is being held from April 13-15 at the Victoria Conference Centre in the City of Victoria. Thank you to Mayor Lisa Helps and Council for hosting this year's event, and to the City staff who have been helping with the planning.

Registration is now open online at <https://www.civicinfo.bc.ca/event/2018/AVICC>. A brochure and program outlining the sessions, study tours and social events are attached. The program remains draft until just prior to the Convention.

Thank you to those members who forwarded session proposals, we received many more than could be included in the program. The AVICC Executive is pleased to present a wide variety of informative sessions for delegates this year. Any program updates will be added to the website at [www.avicc.ca](http://www.avicc.ca) as they become available.

Please note that March 23 is the early bird and cancellation deadline.

We look forward to seeing you in Victoria!
