This email is being sent to the email address that was provided when the delegate registered for the 2018 AVICC Convention. If the email address was for a support staff member, please ensure that the delegate attending the Convention receives this email.

The *Annual Report and Resolutions Package* to be considered at the upcoming AGM & Convention April 13-15, 2018 at the Victoria Conference Centre is attached to this email.

The Package has been expanded to include the information formerly provided in the separate Supplementary Materials Package and the Convention Newsletter. This reflects a desire to provide information to the members earlier, and to avoid duplication of materials.

Printed copies will be provided for delegates on-site at the Registration Desk.

The program included in the emailed Package is marked DRAFT, and the final version will be included in the hard copy provided on-site. The Late Resolutions will also be provided on-site at the Registration Desk.

The Background Material for the resolutions has been uploaded to the AVICC website for members to review. This is the information that member local governments sent in support of their resolutions, and is available at:

A further email will be sent next week with information for registration desk times, study tour times, etc.

If you have any questions or comments, please contact me.
