RESOLUTIONS NOTICE

REQUEST FOR SUBMISSIONS

DEADLINE FOR RESOLUTIONS

All resolutions must be received in the AVICC office by: **FEBRUARY 7, 2019**

IMPORTANT SUBMISSION REQUIREMENTS

To submit a resolution to the AVICC for consideration please send:

1. One copy submitted as a **word document** by email to avicc@ubcm.ca; AND
2. One copy of the resolution by regular mail to:
AVICC, 525 Government Street, Victoria, BC V8V 0A8

Guidelines for preparing a resolution follow, but the basic requirements are:

- Resolutions are only accepted from AVICC member local governments, and must have been endorsed by the board or council.
- Members are responsible for submitting accurate resolutions.
- Separate **background information explaining the resolution must** accompany each resolution submitted. This information will be shared on the AVICC website.
- Sponsors should be prepared to introduce their resolutions on the Convention floor.
- The resolution should not contain more than two "whereas" clauses.
- Each whereas clause must only have **one sentence**.
- Local government staff should check the accuracy of legislative references, and be able to answer questions from AVICC/UBCM about each resolution. Contact AVICC/UBCM for assistance in drafting the resolution.

LATE RESOLUTIONS

- a. A resolution submitted after the regular deadline is treated as a "Late Resolution". Late Resolutions need to be received by AVICC by noon on **Wednesday, April 10th**.
- b. Late resolutions are not included in the resolutions package sent out to members before the Convention. They are included in the Report on Late Resolutions that is distributed on-site.
- c. The Resolutions Committee only recommends late resolutions for debate if the topic was not known prior to the regular deadline date or if it is emergency in nature. Late Resolutions require a special motion to admit for debate.
- d. Late resolutions are considered after all resolutions printed in the Resolutions Book have been debated. The time is set out in the program, and is normally on Sunday morning.

UBCM RESOLUTION PROCEDURES

UBCM urges members to submit resolutions to Area Associations for consideration. Resolutions endorsed at Area Association annual meetings are submitted automatically to UBCM for consideration and do not need to be re-submitted to UBCM by the sponsor.

UBCM and its member local governments have observed that submitting resolutions first to Area Associations results in better quality resolutions overall. If absolutely necessary, however, local governments may submit council or board endorsed resolutions directly to UBCM prior to June 30. Should this be necessary, detailed instructions are available on the UBCM website.

UBCM RESOLUTIONS PROCESS

1. Members submit resolutions to their Area Association for debate.
2. The Area Association submits resolutions endorsed at its Convention to UBCM.
3. The UBCM Resolutions Committee reviews the resolutions for submission to its Convention.
4. Resolutions endorsed at the UBCM Convention are submitted to the appropriate level of government for response.
5. UBCM will forward the response to the resolution sponsor for review.

UBCM RESOLUTIONS GUIDELINES

The Construction of a Resolution:

All resolutions contain a preamble and an enactment clause. The preamble describes *the issue* and the enactment clause outlines *the action being* requested. A resolution should answer the following three questions:

- a) What is the problem?
- b) What is causing the problem?
- c) What is the best way to solve the problem?

Preamble:

The preamble begins with "WHEREAS", and is a concise paragraph about the nature of the problem or the reason for the request. It answers questions (a) and (b) above, stating the problem and its cause, and should explain, clearly and briefly, the reasons for the resolution.

The preamble should contain no more than two "WHEREAS" clauses. Supporting background documents can describe the problem more fully if necessary. Do not add extra clauses.

Only one sentence per WHEREAS clause.

Enactment Clause:

The enactment clause begins with the phrase "THEREFORE BE IT RESOLVED", and is a concise sentence that answers question (c) above, suggesting the best way to solve the problem. The enactment should propose a specific action by AVICC and/or UBCM.

Keep the enactment clause as short as possible, and clearly describe the action being requested. The wording should leave no doubt about the proposed action.

How to Draft a Resolution:

1. Address one specific subject in the text of the resolution.

Since your community seeks to influence attitudes and inspire action, limit the scope of a resolution to one specific subject or issue. Delegates will not support a resolution if it is unclear or too complex for them to understand quickly. If there are multiple topics in a resolution, the resolution may be sent back to the sponsor to rework and resubmit, and may end up as a Late Resolution not admitted for debate.

2. Use simple, action-oriented language and avoid ambiguous terms.

Explain the background briefly and state the desired action clearly. Delegates can then debate the resolution without having to try to interpret complicated text or vague concepts.

3. Check legislative references for accuracy.

Research the legislation on the subject so the resolution is accurate. Where necessary, identify:

- the correct jurisdictional responsibility (responsible ministry or department, and whether provincial or federal government); and
- the correct legislation, including the title of the act or regulation.

4. Provide factual background information.

Even a carefully written resolution may not be able to convey the full scope of the problem or the action being requested. Provide factual background information to ensure that the resolution is understood fully. Submit background information in one of the following formats:

i Supplementary Memo:

A brief, one-page memo from the author, that outlines the background that led to the presentation and adoption of the resolution by the local government.

ii Council/Board Report:

A report on the subject matter, presented to the council or board along with the resolution. If it is not possible to send the entire report, then extract the essential background information and submit it with the resolution.

Resolutions submitted without background information **will not be considered** until the sponsor has provided adequate background information. This could result in the resolution being returned and having to be resubmitted as a late resolution.

5. Construct a brief, descriptive title.

A title identifies the intent of the resolution and helps eliminate the possibility of misinterpretation. It is usually drawn from the "enactment clause" of the resolution. For ease of printing in the Annual Report and Resolutions Book and for clarity, a title should be no more than three or four words.

6. For resolutions to be debated at UBCM, focus on issues that are province-wide.

The issue identified in the resolution should be relevant to other local governments across the province. This will support productive debate and assist UBCM to represent your concern effectively to the provincial or federal government on behalf of all BC municipalities and regional districts.
