Dear Chief and Council,

Re: Membership in the Association of Vancouver Island and Coastal Communities

The Association of Vancouver Island and Coastal Communities (AVICC) Executive established a number of Strategic Priorities at the start of its term in 2019. One of the priorities was to strengthen the relationship between the local governments and First Nations communities within our geographic boundaries which include Vancouver Island, the Sunshine Coast and Central Coast.

In an effort to support and facilitate this relationship-building, I would like to extend an invitation to your First Nation to join the AVICC. The AVICC, as an Area Association that falls within the Union of BC Municipalities (UBCM), is extending this invitation to join our Association to both treaty and non-treaty First Nations governments that meet the following criteria:

1. elected representation;
2. ability to tax; and
3. ability to exercise regulatory power or provide local services.

Prospective members are asked to provide a resolution from their elected representatives requesting membership, confirm that they meet the criteria as outlined above, and agree to pay the annual membership dues. We would welcome your membership in AVICC to help strengthen the relationships and build trust between all communities on Vancouver Island and the Sunshine Coast.

If I can be of any further assistance, please do not hesitate to contact myself or Liz Cookson at 250-356-5122 or by email at lcookson@ubcm.ca.

Regards,

Carl I. Jensen
President, AVICC

Dear Chief and Council,

Re: Membership in the Association of Vancouver Island and Coastal Communities

The Association of Vancouver Island and Coastal Communities (AVICC) Executive established a number of Strategic Priorities at the start of its term in 2019. One of the priorities was to strengthen the relationship between the local governments and First Nations communities within our geographic boundaries which include Vancouver Island, the Sunshine Coast and Central Coast.

In an effort to support and facilitate this relationship-building, I would like to extend an invitation to your First Nation to join the AVICC. The AVICC, as an Area Association that falls within the Union of BC Municipalities (UBCM), is extending this invitation to join our Association to both treaty and non-treaty First Nations governments that meet the following criteria:

1. elected representation;
2. ability to tax; and
3. ability to exercise regulatory power or provide local services.

Prospective members are asked to provide a resolution from their elected representatives requesting membership, confirm that they meet the criteria as outlined above, and agree to pay the annual membership dues. We would welcome your membership in AVICC to help strengthen the relationships and build trust between all communities on Vancouver Island and the Sunshine Coast.

If I can be of any further assistance, please do not hesitate to contact myself or Liz Cookson at 250-356-5122 or by email at lcookson@ubcm.ca.

Regards,

Carl I. Jensen
President, AVICC

Re: Membership in the Association of Vancouver Island and Coastal Communities

The Association of Vancouver Island and Coastal Communities (AVICC) Executive established a number of Strategic Priorities at the start of its term in 2019. One of the priorities was to strengthen the relationship between the local governments and First Nations communities within our geographic boundaries which include Vancouver Island, the Sunshine Coast and Central Coast.

In an effort to support and facilitate this relationship-building, I would like to extend an invitation to your First Nation to join the AVICC. The AVICC, as an Area Association that falls within the Union of BC Municipalities (UBCM), is extending this invitation to join our Association to both treaty and non-treaty First Nations governments that meet the following criteria:

1. elected representation;
2. ability to tax; and
3. ability to exercise regulatory power or provide local services.

Prospective members are asked to provide a resolution from their elected representatives requesting membership, confirm that they meet the criteria as outlined above, and agree to pay the annual membership dues. We would welcome your membership in AVICC to help strengthen the relationships and build trust between all communities on Vancouver Island and the Sunshine Coast.

If I can be of any further assistance, please do not hesitate to contact myself or Liz Cookson at 250-356-5122 or by email at lcookson@ubcm.ca.

Regards,

Carl I. Jensen
