# Welcome to Ock Bay

The bulletin board features several posters from Greater Victoria Public Library (gvpl.ca):

- SEED**: Created by Life-Cycle Project, Society and GVP, the Victoria Seed Library offers a way for hobby and beginner gardeners to share seeds and other gardening resources.
- All Together Now**: 90 Summer Reading Club 2022. Includes Virtual Programs and In-Person Programs.
- Summer Storytimes**: Includes dates and locations for various storytimes.
- Responsibilities and Conduct of Library Users (Policy 1.1)**: Welcome to your library. Details the library's commitment to providing resources and the responsibilities of library users.
- Summer Farming Schedule**: Lists dates and locations for various summer farming activities.
- Emerging Local Authors**: Celebrating Seasonal Authors.
- A Book Review Contest**: The Book Review Contest.

CityVibe  
Your guide to a fun-filled summer in Victoria.

Includes icons for various activities and a QR code for more information.

A collection of posters for library events, including "2024-2022 Indigenous Firsts Recognition Week" and "A Book Review Contest".

**1** **Choose Light Readers**  
Start the English program with  
light readers. These are books that are  
easy to read and have a lot of pictures.  
They are good for children who are  
just starting to learn to read. They  
help them to understand the words  
and the story. They are also fun to  
read and can help to build their  
confidence.
